JOHN ASKED A FEW QUESTIONS

WANTS TO KNOW HOW HE STANDS ON TARIFF AND OTHER MATTERS AND SAYS THEODORE IS MAKING NO STRENUOUS EFFORTS TO PREVENT HIS NOMINATION.

Columbus, O., Jan. 15.—In open letter here today John Fackler, chairman of the Ohio Progressive Republican organization, demands of Theodore Roosevelt that he tell his attitude toward the trusts, the tariff and the Aldrich monetary scheme. The letter says in part:
"It has been pointed out that during the seven years of your administration, in so far as an official action was concerned, you did nothing in regard to these matters. The people would like to know where you stand on the tariff question.

"You have declared that you favored federal incorporation and license. The people are unalterably opposed to such a plan at the time of incorporation. They want the water squeezed out of existing industrial monopolies, and the stock of such incorporated companies limited to actual values as going concerns.

"Would you stake the water out of the corporations? What is your attitude in reference to the Aldrich monetary plan, and the national reserve association?"

"We appreciate the fact that you may ignore these questions by denying our right to ask them, by stating that you are not a candidate. Your friends are making you a candidate, and it appears to me that you are not offering any very strenuous objection. Therefore, it is up to you to tell where you stand.

PEASANTS STARVING IN RUSSIA

[UNITED PRESS LEASED WIRE.] London, Jan. 15.—Starving peasants in southwestern Russia, in the government of Orenburg, are selling their children to the Khirgiz nomads in the government of Saratov, according to a telegram from a physician of Orenburg, who has published here. Hundreds upon hundreds of the people in the vicinity are said to have died from hunger, while fully 70 per cent of the children in some of the villages have been stricken with a fearful epidemic.

These Two Skipped—
Availing themselves of the opportunity given them, Wm. Reno, and John Murphy two trustees employed on the rock crusher near the People's Mindful Institute, escaped last Sunday. The first was sentenced to the penitentiary from Multnomah county, Missouri, also from Multnomah county. Motator was convicted for seducing a girl by the name of Emma Olson, and the judgment of the lower court is affirmed.

THEY STOLE THE RAILING FROM GRAVE

[UNITED PRESS LEASED WIRE.] San Francisco, Cal., Jan. 16.—The magnificent mausoleum erected in Calvary cemetery by relatives of the famous old bonanza king, J. F. O'Brien, who was associated in the golden days of the Comstock with such pioneers as Mackey, Fair, Flood and Sutro, was desecrated by thieves on two occasions during the past two days, and a costly brass railing four feet high, which surrounded the \$100,000 tomb, was carried away.
Detectives arrested a man giving the name of Albert Swett, whom they have charged with grand larceny. The railing is said to be worth several thousand dollars.

The grave of J. P. Hale was also invaded by vandals, and a costly brass gate leading to the tomb, in the same cemetery, was stolen. This as yet has not been traced, and the police are of the belief that Swett is only one of a gang of grave robbers who have commenced operations here.

Stomach Distress
Indigestion and
Dyspepsia Go
Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a 50-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.

Guard Your Children Against Bowel Trouble

Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:
"Sometimes we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."

The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.

The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.

If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk.
