

ANNOUNCEMENT!

AFTER MARCH FIRST

All Subscribers Who Receive

The Capital Journal

Through the United States Mail are hereby notified that after the above mentioned date all Subscriptions will be strictly

CASH IN ADVANCE

The Capital Journal's subscription list has been growing so rapidly that it has been practically forced to make this change owing to the immense amount of bookkeeping required to keep an open account for as small a sum as a newspaper subscription. Hereafter about two weeks before a subscription expires the subscriber will be notified by postal of the fact, and on the date the time is up the paper will be stopped. We trust our subscribers will take this notice in the spirit in which it is meant (merely a change in our business system) not a personal matter, and help us carry it into effect.

For the benefit of those who may wish to pay in advance for a year we will make a

**Bargain Day Rate of \$3.00---Good Until
March 1, 1912**

After that date the regular prices will be in effect--35c a month, 3 months for \$1.00, \$4.00 a year.

Taking this opportunity of thanking you for your past subscription and trusting we will have the pleasure of renewing it, we remain, with best wishes
