Broke His Leg—

Do Your Duty—
Fillings of candidates close today, and now it is up to the voter to make unhampered choice, and it is his duty, too; for if he doesn't, he has no right to kick—and a man with no right to kick is always such a persistent kicker. For this reason be sure to register, and then vote.

More Licenses Than Fish—
The open season for fishing begins April 1, which has caused a rush of applicants for fishing licenses. Yesterday there were 25 licenses granted and six licenses to hunt and fish. Of the outside localities Silverton has the lead. In fact, it is a close second to Salem in the number of licenses issued. There will probably be a big rush today and tomorrow, especially for fishing licenses, as Monday will no doubt see a large number of ninards in the field.

George J. Watson, secretary of the Salem Abstract company, and Mrs. Watson, to whom he was married in Brooklyn, N. Y., March 7, have returned to Salem. After the wedding the young couple took a wedding trip to Washington, D. C., to see the city and witness the workings of congress, staying there a week.
