ONLY ONE PENALTY IN CHINA

[UNITED PRESS LEASED WIRE.]
Nanking, April 1.—The new government of China knows only one penalty for any offense—death. Since the republicans came into power they have introduced the innovation of trying accused criminals fairly. If the prosecution fails to establish a prisoner's guilt, it costs him nothing to be acquitted, but if convicted of anything, from petty larceny to high treason, the services of either a firing squad or the headman are in requisition, and just as quickly as the condemned man can be hustled from the court room to the place of execution. Leading Republicans say openly that they are too busy at present to bother with the management of penitentiaries, and inasmuch as some people have to be punished, they are being punished in the only way possible.

ON CHARGE OF LARCENY BY BAILEE

Patrolman Burkhardt returned last night from Tacoma, where he went for Pellerin, who is wanted for larceny by bailee. Pellerin bought furniture from the store of E. L. Stiff and sold it while under mortgage and skipped out. The officers located him in Tacoma, by watching the move-

ments of a certain woman with whom he was known to be intimate, and when the woman arrived at Tacoma, Pellerin was there to meet her. The Tacoma officers arrested him. Pellerin was taken before Justice of the Peace D. Webster this morning, waived examination and was sent to the county jail. His case will come before the grand jury.

Troops Ready to Go.
Seattle, April 1.—Adjutant-General Llewellyn is holding three companies of national guards ready at a moment's notice to go to Hoquiam or Aberdeen. The militiamen received no intimation of any serious outbreak on the harbor today, and do not believe their services will be needed.

Lost Five Teeth.
[UNITED PRESS LEASED WIRE.]
Portland, Or., April 1.—An automobile in which Mrs. H. L. Camp was riding turned turtle. The only injury she suffered was the loss of five teeth.

H. McGowan, 1218 W. 24 St., Little Rock, Ark., says, "I suffered with severe pains across my back and the kidney action was irregular and very painful. After taking Foley Kidney Pills for a few days, the pain left my back and the kidneys became normal. I can gladly recommend Foley Kidney Pills for I know they helped me." Red Cross Pharmacy.

It will be noted that 75 per cent of the strike of the Sound mill towns are Greeks or Austrians. The general public has little sympathy for manufacturers who, in their efforts to cheapen labor, imports foreigners, and raise a terrific howl about their rights when the men they import start trouble with them.

CIRCUIT COURT HAS GOOD GRIST

Department No. 1, of the circuit court convened this morning at 9 o'clock, Judge Kelly presiding. All of the prisoners in the county jail and those out on bail were given a chance to enter pleas. Peter O'Malley and H. H. Williams plead guilty to the indictments. O'Malley was charged with larceny from a building and Williams was accused of forgery. Williams was asked if he had an attorney to which he replied he had not. The judge then asked him if he wanted one and he replied that all the attorneys in Oregon could not clear him of the charge. This brought forth smiles from most of the attorneys present as they considered it a sarcastic comment on their ability. Williams and O'Malley will be sentenced at 9 o'clock Friday. Boyd Holcomb, indicted for assault with intent to commit rape, and McNamara, for larceny of a valise, will enter pleas at 9 o'clock tomorrow. Attorney M. E. Pogue filed a motion to have the indictment against Isadore Greenbaum dismissed on the grounds that the names of those who testified before the grand jury were not mentioned in the indictment. This was argued and taken under advisement. Bert Warford plead not guilty but a date for trial was not set. The case against Rev. Davis Errett for the alleged part he took in a mining stock deal, was dismissed. DeForce and Bark will make their pleas tomorrow at 9 o'clock.

BURGLARS GOT AWAY WITH STORE

Friday evening three men broke in to the drug store of Emil Schaefer, on North Commercial street, stealing a large quantity of goods. They effected an entrance by prying open the shutters and then opening the window. The following articles were taken: 150 cigars, 1 dozen Schaefer's corn remedy, 2 dozen hair brushes, 100 purses, 4 clothes brushes, a large amount of cuff and collar buttons, tooth brushes and hair combs, shaving soap, 3 Weller safety razors, 1 dozen shaving brushes, 4 Griffin razors, 1 lot of fancy soap 14 razor strops, Howard make, retail price \$1.50 3 American alarm clocks, 4 packages squirrel poison, 2 grams of A. A. Waterman fountain pens, 1 lot of writing paper and envelopes and several whisk brooms.

The police have three men in custody, who, it is believed, turned the trick. These men were arrested by Officers Matlock and Whitlatch some distance south of the S. P. depot, and from the stories they tell, as well as other corroborating evidence in possession of the police department, there seems little, if any, doubt of the guilt of the men.
