Horse Just Borrowed—Bert Pyatt, the man who reported the loss of a horse from the farm of T. B. Jones, nine miles north of the city, found the animal loose in the road near his house this morning. It showed signs of having been ridden, and was probably just borrowed by some one who objected to walking, and was turned loose by the party when through with him.

The Band of Hope—The "Band of Hope" (formerly the Young Peoples' Temperance society) will give their special monthly program next Saturday night at the Mission 241 State street. It will consist entirely of reading and special music. This is the place where you will get something different. Young people only occupy the platform. They are the coming politicians and leaders in our industries and business life. You owe it to them and to yourselves to be there.

A Pretty Specimen—Mr. C. W. Hill has quite a curiosity in the shape of a petrified clam shell, a fine piece of chalcedony. In one position it shows a remarkably perfect profile, though of the flattened Egyptian type. From another viewpoint, a very good outline of a monkey is shown, probably one of the ancestors of the other fellow.

MEXICAN FEDERALS VICTORIOUS

[UNITED PRESS LEASED WIRE.] Tucson, Ariz., April 26.—Mexican federal troops have scored a decisive victory of the rebel forces at Tepic, according to dispatches received here today. Many rebels are reported to have been killed and the list of wounded includes the rebel Generals Morales and Guerrero. Fighting was discontinued at Culiacan today, the rebels retreating into the city with 36 wounded. They claim a victory over the federals under Generals Iturbe and Jesus Maria, but their statement is not credited here.

Last Dancing Class Tonight—D'Arcy Hall. Miss Cronise.

Big Feature Photography—"The Trust," at the High.

Cruel to Animals—Marion Wilson was before the justice court this morning on a charge of cruelty to animals. He pleaded guilty and a nominal fine was imposed on him by Judge Webster.

Sues for \$675.72—Lewis Peterson, of Stayton, has started a suit in circuit court against Alfred Peterson, of Shaw, alleging that he has loaned said Peterson money to the amount of \$675.72, which he has never repaid. The allegation is made in the complaint that the plaintiff paid moneys to the Rock Mercantile company, of Stayton, at the request of the defendant, on promissory notes made by defendant, which has not been repaid. An attachment is taken against 120 acres of land owned by the defendant.

To Grants Pass—Otho Ragan, who has been manager of the Bishop-Ragan clothing store in Silverton, has sold his interest there and will go to Grants Pass, where he will take charge of the Bishop store. Mr. Ragan will leave for his new home Sunday evening and will assume charge there immediately. He is a wide-awake young business man and the best wishes of a large number of Salem people go with him to his new field of operation.

Just 'Fessed Up—A young man from Stayton, who gave the name of John Doe to the justice of the peace, came to Salem this morning and surrendered himself to the authorities for violation of the game laws. He refused to give correct name, but as he appears to be of previous good character and is a man of family, the judge did not insist on getting his correct name. Judge Webster imposed a fine of \$25 for the offense.

BEAN EATERS WALLOPED THE QUAKERS

Boston, April 26.—Although the Philadelphia twirlers held Boston to four hits, they were accorded ragged support, four errors figuring largely in the seven runs made by Boston. Score: American— R. H. E. Philadelphia 6 11 4 Boston 7 4 2 Batteries: Morgan, Russell and Thomas; Page and Nunamaker. Umpires: Westervelt and O'Loughlin.

New York Wins. Washington, April 26.—Harry Wolverton's Yankees did it today. They annexed their second game of the season in an eight-inning battle with the Senators, which was called on account of darkness. Score: American— R. H. E. New York 10 10 2 Washington 2 4 1 Batteries: Quinn and Williams; Walker and Williams. Umpires: Connolly and Hart.

Brooklyn Beats Phillies. Philadelphia, April 26.—Inability to connect with Stack's twirlers, coupled with the ease with which the visitors made hits when they needed them, gave today's game to Brooklyn, 6 to 2. Score: National— R. H. E. Brooklyn 6 8 2 Philadelphia 2 5 2 Batteries: Stack and Phelps; Brennan and Graham. Umpires: Klem and Bush.

His Trousers in the Wash. Los Angeles, Cal., April 26.—Senator Robert Marion La Follette, aspirant for the Republican presidential nomination, received today a deputation of his well-wishers, without his trousers. Minus his supposedly necessary nether garments, the Wisconsin statesman sat at his desk and talked earnestly with his callers.

La Follette's baggage failed to arrive with him today, and not wishing to visit Pasadena in baggy trousers, he consigned them to the tender care of a friend, who sought the hotel valet. La Follette's visitors rushed to his apartments before he could bar the door. "I am always ready to take off my coat to fight for progressive principles," the senator remarked, "and I'll go to any length if the fight grows warm."

BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair. What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under 65 years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil. You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair; and sulphur is recognized by scalp specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.

NEW SCHEME TO BOOST FOR SUFFRAGE

[UNITED PRESS LEASED WIRE.] London, April 26.—A new scheme to boost the woman suffrage movement is being planned here today by Mrs. Cecil Chapman, president of the New Constitutional Society for Woman Suffrage. Circulars are being spread broadcast throughout the country inviting women to sign the following pledge:

"Feeling that we are called upon to make some sacrifice in the cause of woman's enfranchisement, I, the undersigned, undertake henceforth to spend the least possible amount in clothing and personal expenses of every sort, and to use all I save by this means to promote the suffrage movement until the parliamentary vote has been granted to women." Furthermore, every pledge signed is to be provided with printed slips for enclosing with every bill she pays, reading: "I am pledged to save all I can from personal expenses in order to promote the woman suffrage movement."

TO PERMIT THE PEOPLE TO ELECT

[UNITED PRESS LEASED WIRE.] Seattle, April 26.—As a last attempt to block the preferential primary election in King county, tomorrow, the Taft and Harmon clubs, it is rumored, will seek an injunction in the superior court tomorrow morning to prevent County Auditor Case from loaning the election officials the use of the county ballot boxes. Some of the Clark Democrats are also favoring this move. The Roosevelt, La Follette and Wilson forces, however, say that they are prepared for this emergency.
