# THE RECALL

That District Attorney Cameron, of Multnomah county, intends bringing suit to resist the attempt being made to recall him from the office became evident yesterday afternoon, when a deputy called upon Attorney-General Crawford, and consulted him in relation to the subject.

According to the information obtained, it is the intention of Cameron to institute a suit to enjoin the secretary of state from calling the special election, the law providing that one must be held within 20 days after the petition is filed.
