The scheme of cluster lighting in augurated in the city about a year ago, is to be carried out in full, so that the postoffice ground will no the rest of the resolution was passed ing for the installation of eight clus or lights for this block, four on tate street and four on Court.

In order to install the posts, the light committee found it necessary to reduce the other cluster lights in the city from 100 watts to 60 watts, it being estimated that by doing so

Mayor Lachmund protested against the scheme, declaring that the residents on these streets were wealthy and that if they desired street illumtake the horse editor's advice, given ination, that thy could make up a purse and install the posts and maintain them. If the city was to make any saving in the further lighting of the city, he believed that the money should be usd to install lights in the outskirts for the benefit of the peoresiding there. Councilman Jones voiced sentiments identical with the mayor; but when it came to n vote, the council disrgarded their views on the subject and passed the resolution.
