THE CIRCUIT COURT GRIST A LARGE ONE

Department No. 2 of the circuit court convened yesterday afternoon. In the case of John C. McCrea and A. E. McCrea against John Doud to quiet title to land in the northern part of the county, a decree of default was entered yesterday by Judge Galloway.

A decree was entered by default in the case of Inez B. Miller against the Fischer Flouring Mills Co., of Silverton, which forever estopped said mill from asserting any right, title or claim to certain lands described in the complaint and being situated in Silverton.

A settlement having been effected out of court of the differences of William Balsbiser and C. A. Parvin, et al., the case was dismissed without either of the parties to the suit being awarded his costs or disbursements.

A divorce was granted to Rosa B. Pauls from Herman H. Pauls, on account of cruel and inhuman treatment, the plaintiff being permitted to resume her maiden name of Sanner. Ruth L. Fredericksen was granted an absolute divorce from Julius E. Fredericksen.

George H. Colgan began suit yesterday against the Farmers' & Mechanics' bank of Woodburn for an accounting. It is alleged that the plaintiff sold 20 acres of land near that city to the bank on contract, and that the bank took immediate possession of the property and collected the rents and appropriated the profits to its own use. The amount of money involved is \$2969.40.

Werner Fennel has brought suit for divorce from Bertha Fennel, to whom he was married in Albany, Ore., on May 5, 1910, alleging abandonment since May 24, 1910. All property rights of the parties were settled before the commencement of the suit.

The trial of the case of Dora B. Shreve against A. L. Shreve will be on trial commencing at 9 o'clock tomorrow morning, probably consuming more than a day to complete it. This is a suit for an accounting between the parties, as well as involving the respective rights of the parties to certain property rights in lands near Stayton, as well as ditches and water rights.

Eugene Odd Fellows celebrated the 93d birthday of their order in grand shape Friday.

Eleven of the 14 justices of the peace in Linn county were re-nominated.

ROOSEVELT WAVE COUNTRY WIDE

New England Revolts From Taft Machine.

PROGRESSIVES LINING UP.

States Regarded as Conservative Strongholds Have Plainly Demonstrated That They Are Against the Candidate of Big Business—Staggering Blows to Standpatism.

Washington, April 18.—New England, so confidently claimed as Taft territory, has shown conclusively that it wants Colonel Theodore Roosevelt as its candidate for the presidency.

Up to date twenty delegates have been elected from this section. Of these fourteen are instructed for Colonel Roosevelt and six are uninstructed.

There remain sixty-eight delegates to be elected from New England. Of these New Hampshire will contribute eight, Rhode Island ten, Connecticut fourteen and Massachusetts thirty-six. Governor Bass of New Hampshire signed the call to Colonel Roosevelt to accept the presidential nomination if offered and is confident that his state will instruct solidly for Colonel Roosevelt. Massachusetts realized that if it failed to have a presidential preference primary its delegates would be named by the Taft machine politicians and the Republican voters would have absolutely nothing to say about it. Public sentiment was aroused, with the result that the primary law has passed, in spite of the opposition of the Taft leaders, backed by the president himself. Mr. Taft was urged to support the movement for a popular test, but refused to do so. After the law was on the statute books he gave it liployal approval.

Lining Up For T. R. In view of the fact that the law was passed as the result of the insistence of the Roosevelt forces it is easy to realize that the movement for the colonel has tremendous strength. There is every reason to believe that Massachusetts will give him the same rousing majority that Illinois gave him a few days ago. In spite of the machines in operation in Rhode Island and Connecticut and the fact that no fight whatever has been made in either of these states for the colonel's candidacy there is a great deal of Roosevelt sentiment.

The New England situation is highly satisfactory from the Roosevelt point of view and equally unsatisfactory from the Taft standpoint. The six great states of the northeast, with the exception of New Hampshire were believed to be the stronghold of conservatism, and Senator Gallinger, the ally and supporter of Senators Penrose, Crane and Lorimer, was confident that New Hampshire could be brought into line for Mr. Taft. Senator Dillingham, who also belongs to the senate ring and who for the second time has vindicated Lorimer, assured the president that Vermont would cast its vote solidly for him. Yet Mr. Taft has obtained not a single instructed delegate from Vermont. If it had been suggested several weeks ago that Colonel Roosevelt would carry Maine and that the president would not get a single instructed vote from that state nor the state of Vermont the man responsible for the suggestion, if living in Washington, would have been conveyed at once to an insane asylum. Yet Maine and Vermont have refused to place a single delegate in the Taft column.

Strength With Voters. The strength of the Roosevelt wave will be realized when attention is called to the evidence furnished by action taken in different parts of the country. Oklahoma would have gone solidly for the colonel had not the Taft forces called a convention before it was definitely known that Mr. Roosevelt would accept the nomination if it were tendered to him. As it was, he has got all but two of the delegates from that state. Illinois, in which a presidential preference primary occurred, gave the colonel fifty-six out of its fifty-eight delegates, with a tremendous majority in the state at large of 130,000 over Taft. To prevent Colonel Roosevelt from getting delegates friends have been perpetrated in Indiana, Michigan, Kentucky and other states, especially in the north.

The Illinois vote may properly be taken as an indication of Colonel Roosevelt's strength with the voters. It is local in so far as the number of delegates elected is concerned, but it is country wide in its proof of what the people will do if they can express themselves. It is, of course, impossible to wall up sentiment within the boundary lines of a state. The American people are a unit, swayed by the same impulses and moved by the same judgment. It is axiomatic in politics that when there is a pronounced movement in one part of the country it is bound to show in other sections. The extremes of Maine and Illinois are in point.

It may be safely predicted therefore that New Hampshire and Massachusetts will instruct their delegates for Colonel Roosevelt and that some results will be obtained in Rhode Island and Connecticut. In this event the territory which was believed to be absolutely staunch and upon which the president and his supporters depended will be represented in the Republican convention.

Oregon City boosted Saturday, and if people did not get tired trying to see all there was to see, their capacity is unlimited.

Corvallis just belonged to the victors from Portland and elsewhere Friday.

Genuine Good Remedies Cost Less Than Counterfeits

The Famous Original Herb Medicine—Hollister's Rocky Mountain Tea—Sells Everywhere at Only 35c a Package.

It is not surprising that during the more than thirty years that Hollister's Rocky Mountain Tea has been the leading, time-tried and dependable family medicine of America—it has had nearly one thousand imitators. If it was not so good a medicine it would not have had so many imitators. And these so-called "mountain herbs," "root and herb remedies," "vegetable tonics," etc., are sometimes sold for as high as one dollar a package.

But these counterfeiters did no more than imitate the appearance, for they were and are ignorant of the original blend of roots, herbs and seeds that make the combination in Hollister's Rocky Mountain Tea so wonderfully effective in action upon a dyspeptic stomach, a torpid liver, or deranged kidneys.

Hollister's Rocky Mountain Tea

stands absolutely alone, today as in the past—a mild, soothing and healing specific for Constipation, Indigestion, Liver, Kidney and Bladder Trouble, Pimples, Eczema, Impure Blood, Bad Breath, Sluggish Bowels, Headache, Backache, Dizziness, etc.

It is the good old-fashioned remedy

of our forefathers—improved by experience, science and skill until it is as near perfect as can be. The genuine, original Hollister's Rocky Mountain Tea is sold by all druggists, at 35c a package.

A package will make 105 cups of health-giving tea that will put the bloom of health on your cheek and happiness in your heart. It will keep the whole family, from baby to grandfather, in the pink of condition— hale, hearty, sturdy and strong. Travelers and busy people can get the Tea in tablet form, in a box. If they ask the druggist for Hollister's Rocky Mountain Tea Nuggets.

CALIFORNIA CELEBRATES RAISIN DAY

San Francisco, April 30.—Twenty thousand pounds of raisins are being given away here today, on the occasion of "Raisin Day". The feature of the celebration was an automobile parade of boosters from the San Joaquin valley, who glided through the busiest streets, throwing packages of raisins to the crowd.

Celebrations are being held in a number of California cities today, and everywhere California raisins form the chief article on thousands of menus at hotels, in restaurants, family tables and at banquets. In eastern cities, exiled Californians are getting together to hold raisin banquets.

The custom of holding a "raisin day" each year to boost the California product was inaugurated several years ago in Fresno the chief raisin district of the state, and has been steadily growing.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best. Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.
