Do You Know

That many are making comfortable livings—yes and laying up small fortunes—on what they are producing of five, ten or twenty acre tracts?

It's a fact. Some are doing this in truck farming, others in the dairy business, other in poultry raising.

You can do the same. Live right near town, too, within a few minutes' ride of the city, with all its advantages.

Independent? No other life to compare with it. Strikes and lockouts have no terror for a man so situated.

We have some choice small acre properties for sale, also farms, at reasonable figures. Tell us what you want.

Killed the Trees—
For many years Hon. A. Bush has nurtured and cared for several maple trees in the curb line at the corner of State and Commercial streets, but the hard surface pavements put in at that point have done the work that so many of our citizens have importuned Mr. Bush many times to do. The trees there have all died on account of the lack of moisture, but they will not be taken down until Mr. Bush is fully convinced that they are dead. At certain seasons of the year their shade has been a welcome solace to those loitering around that corner, but this is now a thing of the past.

HAPPY, LAUGHING CHILD IN JUST A FEW HOURS

**IF CROSS, IRRITABLE, FEVERISH,
TONGUE COATED AND SICK,
GIVE DELICIOUS 'SYRUP OF
FIGS.'**

Your child isn't naturally cross, irritable and peevish, Mother! Examine the tongue; if coated, it means the little one's stomach is disordered. Liver inactive and its 30 feet of bowels clogged with foul, decaying waste.
Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver and bowels so effectively, besides they love its delightful fig taste.
For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half to a teaspoonful of "Syrup of Figs," and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.
Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.
