FULL LEASED WIRE TELEGRAPH REPORT

A HITCH IN THE CONTRACT FOR HEATING

In an attempt to raise their bid for installing heating systems in the two new school houses now under construction in this city to the extent of \$200, the heating firm of Burkhardt & Weaverson, of Portland, met with considerable opposition by the school board, and those who submitted bids for the same work. The board turned their proposition down flatly and notified them by night letter by wire that if they would install a five-horse power motor and 110-inch fan that they would be awarded the contract at the price of the original bid, \$785. The work on the new buildings has progressed so rapidly that some of the roughing in for the heating must be done soon, and on that account the above contracting firm was notified to appear Tuesday night to sign the contract. If the bidders do not accept the terms given by the board it will become necessary to award the contract to the next lowest bidder. The Pacific Engineering Co., of which P. A. Williams is the representative.

X-RAYS AND SMILES.

Georgia wants Underwood to have the Democratic nomination for the presidency and gave him almost a unanimous vote, but it is again fighting for a "lost cause."

Strawberry shortcakes are beginning to get ripe, and they are "Made in Oregon" strawberries, too.

Wappenstein is a memory at Seattle but he is a number at Walla Walla, "6529"—which is exactly 503 times "13" and that is surely unlucky enough for anyone.

IMPORTING IMPROVED DAIRY CATTLE.

The University of Idaho will solve the dairy question for the farmers of the state if proper support is given a plan recently authorized by the board of regents.

Funds were recently made available by Dr. W. L. Carlyle and Professor Ellington to visit the dairy sections of the Middle West and purchase three carloads of high bred dairy cattle of established records and these cattle will be brought to Moscow and sold at public auction.

A letter received from Dr. Carlyle stated he and Professor Ellington will depart for the Middle West within a short time and the cattle would be collected and brought to Moscow the latter part of May.

It is expected that the auction sale will be conducted about June 15.

Suggestion is made by Dr. Carlyle that if the plan is given proper support by the farmers, other shipments will be made and the sales held at various points in Idaho, in order that the farmers may be saved from the local freight charges in getting the cows home.

A movement was started several months ago by the Lewiston Commercial Club looking to the organization of just such a plan as has been launched by the university, and at the present time a special committee is engaged in securing data to show the cost of placing the valuable dairy cattle on the Idaho farms.

Statement is made by Dr. Carlyle that full information as to breeding, amount of butter fat production and cost will be made public as soon as the dairy cows are landed in Moscow, and the sale will be given wide publicity in all sections of North Idaho.

NO REASON FOR IT.

You Are Shown the Way Out.

Mrs. Lydia V. Craft, Second and Ellsworth streets, Albany, Ore., says: "I suffered from a lame back and at times it was very hard for me to attend to my housework. I got but little rest at night and felt tired all the time. Soon after I commenced taking Doan's Kidney Pills, I noticed a gratifying change for the better and I continued taking this remedy until my condition improved in every way. Doan's Kidney Pills deserve my hearty endorsement." (Statement given February 6, 1906).

Re-endorsement.

On November 13, 1909, Mrs. Craft was interviewed and she said: "My former endorsement of Doan's Kidney Pills still holds good. This remedy helped me in every way and I have been in good health since using it."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

DOES NOT MEAN WE WILL INTERVENE

Washington, May 4.—Emphatic denial that the order sending the company of United States infantry from Monterey, Cal., to Yuma, Ariz., precluded American intervention in Mexico, was made her today by the war department. The troops were ordered to Yuma, it was said, merely to appease the desire of the residents of that section for a strong guard to prevent the depredations of Mexican bandits. It was also denied by war department officials that troops stationed at Fort Sill, Okla., had been ordered to get into readiness to leave for the Mexican border.

PASSING OF VENERABLE PIONEER

By the death Saturday afternoon at 5:30 o'clock of Mrs. Zerelda Gibson-Hayden, Salem loses another venerable and well-known pioneer. Mrs. Hayden, who was the widow of the late Ben Hayden, died at her home on North Fifteenth street, after an illness of about six months, at the age of 81 years. Her husband died about two years ago.

Mrs. Hayden was born in Pike county, Mo., March 21, 1831. She was married to Ben Hayden in 1852, and crossed the plains the same year, locating in Polk county, where she resided for a number of years. Later she moved with her family to Salem, where they have since resided. She was the mother of several children, only two of whom, McClelland and William, survive. She was highly esteemed by all who knew her.

The funeral was held from the late residence, 574 North Fifteenth street, at 2 o'clock this afternoon, May 6, 1912, conducted by Rev. Barr G. Lee, of the Episcopal church. Interment in Odd Fellows' cemetery.

JUDGE MARQUAM HAS STROKE OF APOPLEXY

Judge Philip A. Marquam, one of the foremost builders of Portland in its early days, who was reported as seriously ill last Sunday, was stricken with apoplexy yesterday morning, and has been gradually sinking since.

Early this morning it was thought he would not live through the day. Since he was stricken he has been unconscious. His temperature is not great, but his pulse is running high. He is in his 90th year.

At 11 o'clock last night his temperature, which had been practically normal during the day was somewhat increased, and registered 99.4. At the same hour his pulse was 105. He is constantly attended by his son-in-law, Dr. Charles Hill, and surrounded by most of the members of his family.

Perhaps many a wife thinks she is chained to the missing link.

Few men are capable of putting up a good bluff just before pay day.

The May Woman's Home Companion

The May Woman's Home Companion contains the most interesting account of the recent dramatization and staging of Louisa M. Alcott's "Little Women." It is quite a remarkable story—how Miss Alcott's heirs have objected for years to putting the story on the stage, but how at last they have consented. Among the other articles in the number are the following: "Seeing Europe on \$3.50 a Day" "A Mother Account of the Effect of the Boy Scout Movement on Her Son," "Women Writers as Humorists," "How to Attract Birds" and the first of a new series on the American girl by J. Nilsen Laurvik.

On the fiction side, the leading contributions are from Kathleen Norris, Susan Glaspell, Annie Hamilton Donnell and Mary Heaton Vorse.

In the practical dressmaking, house keeping and entertainment departments appear many interesting contributions, among which are articles on "Sensible Shoes," "The Healthy Baby," "The Practical Kitchen," "How to Make a Sun-Dial," "How to Make a Summer Shack," "The Appetizing Beefsteak" and "A Dozen Good Desserts."

Puts End to Bad Habit.

Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feeling end "the blues." Best for stomach, liver and kidneys, 25c at J. C. Perry's.

A busy man never has time to argue with his wife.

Notice of Intention to Construct Lateral Sewers in Lateral Sewer District No. 15, Salem, Oregon.

Notice is hereby given: That the common council of the city of Salem, Oregon, deems and considers it necessary and expedient and proposes to construct a system of lateral sewers as a part of the North Salem sewer system in and through certain streets and alleys in North Salem Addition, Highland Avenue Addition and Broadway Addition to Salem, Oregon, as a part of the North Salem sewer system. The cost of the same, together with five per cent for engineering and other incidental expenses, to be assessed on the property directly benefited by such sewers and drains, which system of lateral sewers shall be known and designated as Lateral Sewer District No. 15, the boundaries of which are as follows, to-wit:

Beginning at the intersection of Broadway and Spruce streets; thence easterly along Spruce to a point 120 feet east of Cherry street; thence southerly parallel with Cherry street, to center line of Highland Avenue; thence westerly along Highland Avenue, to center line of Hazel street; thence southerly along center line of Hazel street to a point 332 feet south from the center line of Academy street; thence westerly to center line of Maple street; thence southerly along Maple street to center line of South street; thence southwesterly midway between 6th and Cottage street to Jefferson street; thence westerly on Jefferson street to center line of Broadway street; thence northerly on center line of Broadway street to place of beginning; all situated in the city of Salem, Oregon.

The said system of lateral sewers shall be constructed in accordance with the amended plans and specifications for the same heretofore adopted by the common council on the 29th day of April, 1912, and on file in the office of the city recorder, reference to which for a more detailed description is hereby made, and the said plans and specifications are hereby referred to and made a part of this notice.

The said sewers are particularly described as follows, to-wit:

An eight (8) inch concrete or vitrified sewer pipe shall be laid commencing at a point in the alley between blocks No. 1 and No. 2, Broadway Addition, said point being 1200 feet south from the manhole in the sewer constructed in Spruce street; running thence southerly through the said alley in blocks numbered One (1) and Two (2) Broadway Addition; blocks numbered One (1), Eight (8) and Six (6) of Highland Avenue Ad-

dition, to the manhole in the trunk sewer in Spruce street.

Also from a point in the alley east of Broadway street, said point being 384 feet north from the south line of block numbered Two (2), Broadway Addition; thence southerly through blocks No. 1 and No. 2, Broadway Addition; thence southerly through blocks numbered 43 and 44 of North Salem Addition, to trunk sewer in Jefferson street.

Also commencing at a point in the alley between blocks No. 3 and No. 4 in Broadway Addition, said point being 1390 feet south from the trunk sewer at Spruce street; running thence north in said alley between blocks numbered three (3) and four (4), in Broadway Addition, and through blocks numbered two (2), seven (7) and ten (10) of Highland Avenue Addition to the trunk sewer in Spruce street.

Also commencing at a point in the alley east of Current street, said point being 325 feet north from south line of block numbered three (3), Broadway Addition; thence southerly in said alley to South street; thence through blocks numbered fifty-two (52) and fifty-one (51) of North Salem Addition to trunk sewer in Jefferson street.

Also commencing at a point in the alley in the acreage north of block numbered fifty-three (53), North Salem Addition, said point being 1380 feet south from the trunk sewer constructed in Spruce street; thence southerly in said alley through above mentioned acreage and through blocks numbered three (3), six (6) and eleven (11), of Highland Avenue Addition to trunk sewer in Spruce street.

Also commencing at a point in the alley east of Elm street, said point being 245 feet north from the Donation Land Claim line or South street; thence southerly in said alley to South street; thence southwesterly to Sixth street; thence south on Sixth street to trunk sewer in Jefferson street.

Also commencing at a point in the alley east of Maple street, said point being 1480 feet south from the trunk sewer at Spruce street; thence northerly in said alley through the acreage north of blocks numbered sixty-five (65), North Salem Addition, blocks numbered four (4), five (5) and twelve (12), of Highland Avenue Addition to trunk sewer in Spruce street.

Also commencing in the alley in block numbered thirteen (13) Highland Avenue Addition, said point being on the south line of block numbered thirteen (13) of said Addition; thence north through said block to trunk sewer in Spruce street.

Also commencing at a point in the alley in block fourteen (14) Highland Avenue Addition, 50 feet north of the south property line of said block; thence north in said alley to trunk sewer at Spruce street.

Also commencing at a point in the alley in block numbered fifteen (15), Highland Avenue Addition, 50 feet north of the south property line of said block; thence north in said alley to trunk sewer in Spruce street.

Also commencing at a point in Cherry avenue, Highland Avenue Addition, said point being 50 feet north from the north line of Highland Avenue; thence north on Cherry avenue to trunk sewer in Spruce street.

Remonstrances may be filed against the construction of said proposed lateral sewers and drains at any time within 10 days from the date of the final publication of this notice.

This notice is published for a period of 10 days by order of the common council of the city of Salem, Oregon, the date of the first publication being the 20th day of April, 1912, and the final publication being the 11th day of May, 1912.
