THIRTY YEARS CASTORIA

THE CENTAUR COMPANY, NEW YORK CITY.

COMMISSION SIXTY TWO YEARS OLD

SHERIFF MINTO HAS THE COMMISSION OF WILLIAM HERREN AS SHERIFF OF MARION COUNTY FRAMED IN HIS OFFICE.

Sheriff Harry Minto is the proud possessor of what is, if not the oldest, at least one of the oldest commissions ever issued in the state, or rather, territory of Oregon. It is that of William Herren, who was elected sheriff of Marion county on the first Monday in June, A. D. 1850. Ed. Herren in looking through some old papers of his father's, came across the document, and asked Harry if he would like to have it.

"Sure," was the quick reply, "and I will frame it and hang it up in the office."

This he proceeded to do—and the venerable document now has a place of honor in the sheriff's office. It is as follows:

Oregon Territory Marion County Kintzing Pritchette, Acting Governor of Said Territory. To William Herren, of the County of Marion, Esquire.

Sends Greeting: Whereas it appears from the returns of the election, held in and for the county of Marion, on the first Monday of June on the year of Our Lord one thousand eight hundred and fifty, that you have been chosen by the citizens thereof, sheriff of the said county of Marion.

NOW KNOW YOU: That I have commissioned and by these presents commission you the said William Herren, to be sheriff of the said county of Marion, with the appurtenances, and the peace, within the same, to your care and defence; authorizing and commanding you, the said William Herren, to do and perform all the several acts and things, in the county of Marion, that to the office of sheriff, according to the laws of said territory, do in anywise belong.

To hold, exercise and enjoy the said office, with all the rights, fees, perquisites, emoluments and advantages from thence lawfully accruing, or thereunto of right appertaining, for the term of two years, to be computed from the first Monday of June, A. D. 1850, and until your successor be duly qualified.

Given under my hand and the Great Seal of the Territory, at Oregon City this tenth day of July in the year of Our Lord one thousand eight hundred and fifty.

KINTZING PRITCHETTE.

Miss Anglia's gowns were fine—is the feminine comment on last night's play, and, by the way, about expresses the correct idea.

Nevada, with a population of less than 100,000, has six votes in the Republican national convention. At the same rate then New York should have about 500. Nevada always did get hers, but she deserves all she can grab.

Mr. Fifty Seven Kinds Heinz, who has picked a fortune, talks of starting a factory in Portland. This would again place Oregon in the lead with the very latest, the 57th kind.

It looks as though neither Clark nor Wilson will have the necessary votes, two-thirds, to control the convention. This is where some one is liable to shy W. J. B's hat into the ring.

What Taft and La Follette are saying of each other may not be true, but they are certainly furnishing some fine campaign material for their friends the democrats.

What the Republican candidates are saying of each other is simply an exchange of the courtesies of the season. The political campaign season.

It would surprise you to know of the great good that is being done by Chamberlain's Tablets. Darius Downey, of Newberg Junction, N. B., writes, "My wife has been using Chamberlain's Tablets and finds them very effective and doing her lots of good." If you have any trouble with your stomach or bowels, give them a trial. SUFFERED EVERYTHING

For Fourteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Elgin, Ill.—"After fourteen years of suffering everything from female complaints, I am at last restored to health."

"I employed the best doctors and even went to the hospital for treatment and was told there was no help for me. But while taking Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use until I was made well."

—Mrs. HENRY LEISEBERG, 743 Adams St. Kearneysville, W. Va.—"I feel it my duty to write and say what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female weakness and at times felt so miserable I could hardly endure being on my feet."

"After taking Lydia E. Pinkham's Vegetable Compound and following your special directions, my trouble is gone. Words fail to express my thankfulness. I recommend your medicine to all my friends."—Mrs. G. B. WHITTINGTON.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The students of Willamette are all praying for good weather, because of the track meet tomorrow. The horse editor takes off his hat to them, for the climate today is about like that, one can fancy, Adam first experienced and is at least indicative of the efficacy of a sprayer by the right people.

* X-RAYS AND SMILES. *

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Texas, was effected years ago in his brother, "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by 10 bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at J. C. Perry's.

Walter Murphy, general contracting agent of the Sells Floto Circus, which comes here on May 30, who was a visitor recently, speaking of the big attraction which made such a universal hit in the Northwest last season, said:

"Five years ago a director of amusements who prophesied an era of popular prices, such as we are having in the theatrical world today, would have been rated as being nothing short of a lunatic. But strange things happen as the wheel of time turns, so that today we find people demanding more for their money than ever before in the history of the world, and proprietors of attractions seeking to meet that demand. Perhaps the exception to this has been the circus, and barring one instance, all the old line shows adhere to the scale of prices which prevailed two decades ago.

The management of the Sells Floto Circus, however, for the past three seasons, has inaugurated a new policy, no doubt believing that in doing so, they could retain and hold the greater portion of public patronage.

When the simple statement is made that we have cut the regular price, which from time immemorial has been the rule of the circus, in half, few people stop to consider what this means in the regular totaling of the season's receipts. But coming right down to figure, it shows a primary discrepancy of almost \$100,000, when compared with the sum total of a season at the old price.

Considering the fact that it costs more than \$3000 a day to operate a big amusement enterprise of this kind, one can get some idea of the risk involved when the management of the circus decided to cut the admission to 25 cents. All their rivals in the circus business expressed the opinion that such a feat of financial jugglery could not be successfully carried out, but the last three years have proven that these people build wisely, and that from an intensely business standpoint, was possibly the wisest move they could have made. The records show that the attendance has been more than doubled and that it is possible to give more now at the cut price and to enlarge the performance in every way than it was under the old system.

This season the 25-cent tariff will be enforced everywhere the Sells-Floto Circus appears. The admission price admits patrons to the big show in its entirety, and there are seats for 10,000 purchasers of these tickets. The management followed with the statement that there is absolutely no deviation from this rule. We carry no so-called "accommodation wagons" where a greater sum is charged.
