CHAMPION WOLGAST IN FRISCO

San Francisco, May 7.—Brown as a berry and asserting that he has not felt so well in years, Ad Wolgast, accompanied by Manager Jones and Hobo Dougherty, arrived here today from Los Angeles this afternoon settled down at training quarters. The champion looks much better than he did upon the occasion of his last visit, his outing in the hills of Southern California evidently having done him a world of good.

"Do I look like a sick man?" was Ad's question in reply to one as to how he felt. "I never felt better. During my outing in the hills I gained five pounds. The week of roughing it put me in fine shape."

Jones is enthusiastic over his charges condition. "Better than ever," was his terse comment. "Yes," better than ever. He has tried himself out thoroughly and is the great little boy he always was, and then some.

"I understand that Ritchie," he continued, "plans to attack on the place where the appendix was. All right. Let him. In fact, I hope will. If he plays for that place he may lay himself open to a crack on the chin and if Ad lands Willie will forget all about plans and every thing else. Ritchie won't get there, despite the fact, as I am told, that he has been practicing a so called appendix punch in secret, and even if he does land, he won't hurt. I have no fears whatever over the outcome of Saturday afternoon's engagement."

The champion's manager vehemently denies the statement that Rivers and Wolgast have agreed upon a second meeting on Labor Day, regardless of the outcome of the fourth of July battle. Jones admits that he has accepted terms for a Wolgast-Leach cross bout on May 29, but says he has received no reply from the New York promoters who are after the match.

REPORTS OF DANGER TO AMERICANS FALSE

San Francisco, May 7.—Reports that American citizens on the west coast of Mexico are in grave danger through the revolution were given the lie today on the arrival of the steamer Peru in San Francisco from the south.

Instead of the mob of frenzied refugees the Peru should have carried, had the incendiary reports been true, she had just two passengers aboard from the west coast.

The Peru's officers went ashore at Salina Cruz, Acapulco, Mazatlan and San Blas, but found all peaceful there.

Senator Bourne and Senator Chamberlain protested, and the nomination of Colwell was not confirmed. President Taft, then according to the letter, requested to be permitted to withdraw the nomination of Colwell. Senators Bourne and Chamberlain consented, Bourne "assuming you would not take advantage of the courtesy." Taft, says Bourne, reappointed Colwell in the recess of congress. Later, the letter says, after Bourne and Chamberlain again protested, and the president, Bourne charges, saw there was no chance of nominating Colwell, he withdrew the nomination. He later presented the nomination of Leslie M. Scott, whose appointment is pending.

"This man Colwell," says Senator Bourne, "who tried to overthrow the will of the people of Oregon and destroy our system of popular government, was thus kept in office eight months by your evasion of the plain intent of the constitution."

"Pursuing the same policy of evasion and usurpation," continues the letter, "you sent to the senate January 13, 1911, the appointment of Phillip S. Malcolm, as collector of customs for Portland."

HOMELESS REFUGEES ON LEVEES

AT LEAST TWO THOUSAND OF THEM WERE MAROONED BY ANGRY WATERS — ANOTHER LEVEE BROKE TODAY.

[UNITED PRESS LEASED WIRE.]
New Orleans, May 7.—Two thousand persons are huddled together along the levees in various parts of Louisiana today, waiting to be rescued. Relief is being hurried to the threatened sections, every available craft having been placed in requisition.

Refugees are making headquarters in Baton Rouge and Natchez, where they have been housed in schools and churches.

Food has been distributed to 30,000 sufferers in Louisiana alone. The Saint Sophie levee, 40 miles below New Orleans, broke at noon. With a 200-foot gap in the levee, a section which was hitherto considered safe is being flooded.

Underwood Denies It.

[UNITED PRESS LEASED WIRE.]
Washington, May 7.—Congressman Underwood, of Alabama, candidate for the Democratic presidential nomination, denied today the statement made by William J. Bryan in a speech at Chillicothe, Ohio, that the Underwood delegates from Georgia, Florida and Alabama are really supporters of Judson Harmon, of Ohio. Underwood declared that his candidacy is not and never was in the interest of Harmon or anyone else.

responsible for the completion of the work so far ahead of schedule time." Secretary Knox carefully refrained from discussing any of the Mexican situation, or commenting on national politics.

"A miracle of reconstruction," was his enthusiastic comment on the growth of San Francisco, which he is now visiting for the first time in ten years.

RESTORE GRAY HAIR TO NATURAL COLOR

By Common Garden Sage, a Simple Remedy for Dandruff, Falling, Faded, Gray Hair.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical company of New York, which has placed on the market a superior preparation of Sage, combined with sulphur and other valuable remedies for dandruff, itching scalp, and thin weak falling hair.

The beauty of hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair, when a simple harmless remedy will bring back the color in a few days; and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your hair.

Stubborn Colds May Lead to Consumption

Did you ever have a cold that would not let go; a cough that persisted, that prevented sleep, and made waking hours miserable? Eckman's Alternative is the proper remedy in such cases. Perhaps some simple medicine may be effective where it is only a tickling in the throat; but when your chest is sore and simple remedies don't answer—then take Eckman's Alternative. Neglect often leads to more serious trouble; a case in point follows:
718 Cherry St., Phila., Pa.
"Gentlemen: In July, 1905, I first noticed the conditions that showed I had Consumption. I lost weight rapidly; had a hollow cough, hemorrhages and very severe night sweats. My brother recommended Eckman's Alternative. In the Fall of 1905 I began to take it. At this time I am perfectly well and robust. My appetite is good and my weight has increased from 110 to 140 pounds. Not a trace of my old trouble remains. I will gladly express the merits of this medicine to anyone."
(Signed) M. L. GERHARDT.
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists and J. C. Perry.

NO ORDERS ISSUED FOR REGIMENT TO MOVE

Washington, May 7.—The war department today denied a report that the Ninth cavalry, U. S. A., had been ordered to be in readiness for service on the Mexican border. The officials stated their belief that the conflict between the federals and rebels at Torreon, in which the rebels are now preparing to storm the city after a victory over the federals in the mountains outside, will decide the outcome of the revolution.
Some people seem to get more pleas use out of a grievance than out of a blessing.

BLOOM OF YOUTH NOW EASILY ATTAINED

(From Popular Science)
You no longer need to "doctor" that sallow, freckled, blackheaded, rough, blotchy, pimply or over-red skin. You can remove it, instead—easily, painlessly, inexpensively. By a new scientific process, which anyone can use without assistance, the dead and near dead surface skin, with all its imperfections, is gently, gradually absorbed—and a radiant youthful and beautiful complexion comes forth. Go to your druggist, get an ounce of pure mercolized wax; at night apply enough of this to completely cover the face; don't rub it in. Next morning remove the wax with warm water. The result after a few days is astonishing. You wonder why this secret wasn't discovered long ago. Let the wrinkled, pouchy-cheeked, double-chinned folks also take hope. Put an ounce of powdered savillon into a half pint witch hazel, bathe the face in the solution and—say!—there's nothing that will so effectually, so promptly, smooth out the hateful lines and draw in the sags and bags. You'll find this lotion, as well as mercolized wax, works equally well on neck and hands. There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold, give it a trial and become acquainted with its good qualities. For sale by all dealers.
