After Aluminum Trust. [UNITED PRESS LEASED WIRE.] Pittsburgh, Pa., May 16.—Another alap was given "big business" by Uncle Sam here today when the government started a suit which seeks the dissolution of the Aluminum Company of America, the so-called aluminum trust. Got the Other Pup. San Francisco, May 16.—Husbands are easy to get, but dogs like 'Rags' are scarce. I want the pup and \$50 alimony," said Mrs. Doris Zwerin to Judge Mogan, in seeking divorce from Phillip Zwerin. She got the pup.

Puts End to Bad Habit. Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feeling end "the blues." Best for stomach, liver and kidneys, 25c at J. C. Perry's.

Phoenix, R.I.—"I worked steady in the mill from the time I was 12 years old until I had been married a year, and I think that caused my bad feelings. "Lydia E. Pinkham's Vegetable Compound has helped me wonderfully in every way. You may use my letter for the good of others. I am only too glad to do anything within my power to recommend your medicine."—Mrs. JULIA KING, Box 99, Phoenix, R.I.

Letter from Mrs. Etta Donovan, Willimantic, Conn.

Willimantic, Conn.—"For five years I suffered untold agony from female troubles causing backache, irregularities, dizziness, and nervous prostration. It was impossible for me to walk up stairs without stopping on the way. I was all run down in every way."

"I tried three doctors and each told me something different. I received no benefit from any of them but seemed to suffer more. The last doctor said it was no use for me to take anything as nothing would restore me to health again. So I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and by taking seven bottles of the Compound and other treatment you advised, I am restored to my natural health."—Mrs. ETTA DONOVAN, 702 Main Street, Willimantic, Conn.
