**WHAT SAVED HER LIFE**

**Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.**

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night. The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardul. Now, I am entirely well. I am sure Cardul saved my life. I will never be without Cardul in my home. I recommend it to my friends." For fifty years, Cardul has been relieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause. If you suffer from any symptoms of womanly trouble, take Cardul. Your druggist sells and recommends it. Get a bottle from him today.
