CONVENTION TAKES VOTE.

(Continued from Page 1.)

Instead of jumping at conclusions. This resulted in a wild burst of applause from the Taft men.

Same Old Fight. The Roosevelt men objected to representation on the committee of members from states where contests had been filed, and also participation in the credentials committee deliberations by members of the national committee who had originally passed on the temporary roll.

Governor Hadley moved the substitution of the minority report for the majority, and asked that McCormick be given unanimous consent to read a brief dealing with the question. A Virginia delegate moved to lay the Hadley motion and the minority report on the table.

Hadley raised the point of order that this could not be done, because unanimous consent to McCormick to address the convention had been given. Chairman Root held that the request for unanimous consent had not been passed on.

He was asked whether unanimous consent was granted. A delegate arose from the Illinois section, but Root failed to recognize him, and declared that the McCormick statement could be read.

A Rag Chewing Contest. McCormick's statement found that the Taft convention in the ninth Alabama district was irregular and a bolting one, and that the Roosevelt delegates were the only legal delegates elected in that district.

As he read the report, which was a mere repetition of briefs presented to the national committee at its hearing, the Taft men occasionally interrupted his remarks with laughter.

McCormick's declaration that the Taft men "bolted" was greeted with a volley of "boos" from the Taft men.

As McCormick concluded Dovell asked unanimous consent to make a five-minute reply to McCormick, and it was granted.

Dovell said, on behalf of the majority of the credentials committee, he denied that McCormick was not given time to prepare a minority report. He said that the committee had been in session continually since 9 o'clock yesterday, due to certain members of the committee hampering the work of the committee. The vote in the ninth Alabama, he said, was 34 to 13, and the Wisconsin and Idaho delegates voted with the majority. He said that the resolution under which the district committee acted were tampered with, and then he read a statement by an Idaho member of the committee, which said the majority report was the only conclusion "that could be arrived at under the evidence in the case."

Root then stated that Delegate Robert W. Walker, of Virginia, had withdrawn his motion to table the minority report, in order that Governor Hadley could address the convention on the minority report.

Henry Sai On. Francis J. Henry tried to get recognition by climbing on his chair, but Root ignored him, and invited Hadley to the chair.

Governor Hadley was cheered and

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THEDFORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydie E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.

applauded by the floor and galleries as he began to read the typewritten document.

It was a resolution that the contended delegates should not be permitted to vote on the report of the committee until after their cases had been voted on and decided. The resolution included the 73 delegates whose credentials have been a matter of controversy ever since the convention first met.

James W. Wadsworth, of New York, raised the point of order that the chair had already ruled on this question, and that the motion was an "attempt to reverse the chair by an indirect method."

Root said: "It seems so plainly, for the general interest of the Republican party, that this question should be passed on by the delegates, that the chair will entertain the motion and rule the point of order not well taken."

This plan had been adopted so that a vote on the question could be had, and root immediately recognized former Congressman Watson, who moved to table the Hadley motion. A roll call was ordered.

ABUNDANT FLUFFY HAIR IS IMPOSSIBLE IS YOU HAVE DANDRUFF

How often do we hear or see this expression used in describing a beautiful woman?

Denude that head of its hair and instead of a queenly, royal bearing, we have a fright. The hair makes all the difference. To have that glorious abundance of radiant hair which always crowns "a regal head," one should use Newbro's Herpicide.

Herpicide represents the last word in scientific hair culture. It destroys the dandruff germ, checks falling hair and corrects generally, diseases of the hair and scalp.

The positive results and its delicate but refreshing odor recommends Newbro's Herpicide to ladies of refinement everywhere.

NATIONAL OFFICERS' RECEPTION

(Continued from Page 1.)

The flag was accepted on behalf of the board of education the Salem High School and the 2,000 school children, by Hon. B. J. Miles, of the school board in a patriotic and appropriate speech that was frequently interspersed with applause.

A beautiful Spring song was rendered in a very charming manner by Mrs. C. L. Starr and Miss Ruth Pigate. The "Patriotic Medley" in violin solo by Miss Stege, with orchestra accompaniment, was a beautiful musical shower to which the audience arose while the strains of "Star Spangled Banner" and "America" were introduced.

This closed the program of one of the most prominent events of the entire encampment. Punch was served to about a thousand people in the rotunda of the capitol by a bunch of Salem society buds attired in white from head to foot.

Another Entertainment.

The Grand Army people and the Ladies Relief Corps in large numbers requested Mrs. Linton to repeat her recitation given Wednesday evening, before the Grand Army leaves the city, so arrangements were made by the chairman on committee of arrangements at the request of department commander to have this repeated at 1:30 prior to the joint installation by the Grand Army and the Women's Relief Corp. and also Mrs. M. E. Bollinger, who was to sing at the opening of the encampment this morning, will sing "My Dream of the U. S. A." This request comes as a great compliment to the management and to the young people who have taken part in pleasing and entertaining the Grand Army.

Honored Sons of Veterans.

The State encampment of the Women's Relief Corps honored State Organizer John Huntington, of Lents, and Commander E. Hofer, of Salem Camp Sons of Veterans, with an introduction that was very cordial this morning at 10 o'clock. They were escorted to the platform by the color bearers and Major Huntington made a strong plea for co-operation in their organization and hurled a great big bouquet at the feet of the ladies. They were given the greetings of the encampment and three cheers. Mrs. Frisby arose and gave a message to the Oregon division from Col. Scott, commander of the division of Oregon and California. The woman's relief corps certainly knows how to do things up right.

At 11 a. m. many of the veterans were taken in motor cars on a sight-seeing tour about the city.
