Part of Washday is washing the flatwork, such as sheets, pillowcases, towels, napkins, tablecloths, etc. If this work were sent to the laundry, the balance of the washing and

ironing would be a small mat-The expense of sending the flat work to this laundry is not great. We wash it with the purest of noft somp and plenty of pure sparkling water.

We from it by a large steam heated machine, which produces a beautiful finish without injuring the goods in the slightest degree. Try us this coming Monday. Our wagous will call.
