Stuck on His Cow.

Will Deodorize It.

Minneapolis, July 27.—That the city council scouts the suggestion that "Andrew Carnegie's money is tainted" is shown by the fact that that body has just accepted the ironmaster's offer of \$125,000 to erect branch libraries here.

Summer Resort Burning.

Narragansett Pier, R. I., July 27.—The Casino and seven cottages were destroyed by fire here today, and the whole resort is threatened if a gale spreads the flames. At 3 o'clock this afternoon the fire was practically under control.

The girls body found in the Wilmamette, at Hillsboro, Thursday, has been positively identified as that of Lola Harris, who disappeared from home February 12. It was a case of suicide.

Creswell will hold a school and agricultural fair August 30.

Bechtel & Bynon Bargains

40 acres of good land east of town on Howell Prairie, 30 acres cleared, 5 acres pasture, 5 acres timber, 12 acres in heavy hop crop, 9 acres young crops. This place can be had for \$180 per acre. Convenient to school. This is a good place rightly priced. Half of the crop goes with the place.

\$2100 will buy a dandy 5-room cottage in South Salem. Large lot half block from school, close to car line, nice neighborhood. Is worth \$2500, but owner desires to leave town and has made low price to effect quick sale.

If you want a good large lot cheap see us about the 13 lots we are syndicating at about half their real value. The owner has sold the adjoining lots at \$350 to \$450, but as he has left town he desires to sell the remaining 13 lots in a body. We have sold most of them, and when the few remaining ones are spoken for we can deliver the whole number. Price only \$250 each. Paved street in front of most of these lots. Sewer paid for.

Lenses Must Be Changed

Lenses do not wear out, but eyes do. Every part of the body changes with advancing years, and our eyes in common with the rest of our physical being show the effect of age.

—We must, therefore, meet the changed condition of the eyes.

—The glasses that you bought ten, or even three years ago, are not giving your eyes the proper assistance.

—As your eyes are wearing out year by year, your lenses should be made stronger or weaker to correspond with your falling vision.

—My system is the result of over 30 years' study, constant practical experience, and I guarantee absolute satisfaction with every pair of glasses I fit.

—"It costs you less for the best"

—No extra charge for examination.

During the summer months mothers of young children should watch for any unnatural looseness of the bowels. When given prompt attention at this time serious trouble may be avoided. Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon. For sale by all dealers.
