#### WOMEN TAKE NOTICE!

A man cannot understand the torture and suffering many women endure complainingly. If the majority of men suffered as much pain and endured with ience the weakening sicknesses that most women do, they would ask for mediate sympathy and look for a quick cure.

Many women have been saved from a life of misery and suffering by turning to the right remedy—Dr. Pierce's Favorite Prescription—a remedy which is safe to take because containing no narcotics, alcohol or injurious ingredients. It is an alterative extract of roots, made with pure glycerin, and first given to the public by that famous specialist in the diseases of women—Dr. R. V. Pierce, of the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

Mns. Lizzis M. Hussithiers, of Lincoln, Neh., 520 "C" St., says: "I send a testimonial with much pleasure so that some suffering woman may know the true worth of your remedies. I was a great sufferer from female troubles but after taking one bottle of Dr. Pierce's Favorite Prescription, which a friend advised me to take, I found myself very much improved. After taking three more bottles, and using two boxes of Dr. Pierce's Lotton Tablets, I found myself on the road to recovery. I was in poor health for five years but now I an cured.

"I hope all women suffering from female weakness will give Dr. Pierce's Eavorite Prescription a fair trial.
