**Honor Men to Return**—Owing to the fact that the minimum sentences of so many of the honor men at the camp near Medford have expired, and that they are being paroled the camp there will be broken up temporarily and the men returned to Salem. There is quite a lot of work to be done around the institutions here, but as soon as this is done and men are available that camp will be re-established. It will be only a short time until this is done.

**Should Be Good Game**—The baseball game promised for tomorrow on the local grounds should be one of the best played this season. The McMinnville team has defeated St. Paul, Sheridan, Hopewell and the Weonas and is conceded to be the champions of Yamhill county. The game will be called at 3 o'clock at the local grounds. There will not be much change in the lineup of the locals, but the visiting team comes well recommended and is hopeful of success. The local team is also confident of winning the game.

**MEXICAN REBELS ARE STILL AGGRESSIVE**  
Nogales, Ariz., Aug. 17.—Dispatches received today from Hermosillo, capital of the Mexican state of Sonora, say that the city is excited over reports that strong bands of rebels are mobilizing in the country districts. Guaymas, a port on the west coast, also is included in the campaign plans of the insurgents. Practically all federal troops in Sonora have been called to Chihuahua City, where President Madero is massing his strength to meet the threatened last stand of the rebels. The state is virtually defenseless. Reliable reports reached here today that 150 federals sent from Hermosillo to the southern part of the state a week ago to disperse a band of rebels were routed and slaughtered instead of scoring the signal victory that was chronicled. But 12 of the command returned to Hermosillo.

### SOME OTHER TRIALS FOR LOS ANGELES

Los Angeles, Aug. 17.—With the trial of Clarence Darrow on a charge of corruptly influencing one drawn as a juror gone into history, further legal action growing directly out of the arrest and confession of the McNamara brothers is forecasted for Los Angeles.

Four nationally known labor leaders are under indictment by a federal grand jury charged with illegal transportation of dynamite. They are Olaf Tivimoe, Anton Johannsen, Eugene A. Clancy and J. E. Munsey.

The men were indicted early this year by a special grand jury called to probe matters growing out of the McNamara affair. Three true bills were returned against each man, each bill containing four counts. In July all pleaded not guilty and their cases were continued to be set at the January term of the federal court.

Each of the men was released on his own recognizance of the three counts of each indictment. Each is held on one count under \$2000 bonds. Johannsen was in court when Darrow was pronounced not guilty today.

**Italians Win Victory.**  
(EXCITED PRESS LEARNED WIRE.)  
Rome, Aug. 17.—Lieutenant General Caroli, commander of Italian troops in Tripoli, has succeeded in establishing a base at Zuara, a town about 66 miles west of the city of Tripoli, according to an official announcement here today.

The Turks had concentrated their forces in Zuara and stubbornly resisted the advance of the invaders. The battle lasted all day, the Turks finally retreating and leaving many dead on the field. The Italians lost six killed and 98 wounded.

Self reliance is a good thing to have around the house, but a rich father-in-law is of more weight at the bank.
