SOCIETY

A beautiful affair of yesterday afternoon was the tea given by Mrs. Robert K. Benham, in her home, 1049 Court street. Yellow flowers made brilliant flashes of color in the dining room. Tall stalks of sunflowers were grouped together, masses of nasturtiums in shades from yellow to copper made gorgeous banking, and great clusters of deep yellow marigolds finished the color motif. Globes were yellow shaded and the electric lights wreathed with graceful hop vines. The living room was charming with an artistic arrangement of golden glow and variegated zennias. Shasta daisies and ferns were used in the hall. Mrs. W. L. Benham received with her daughter. Mrs. Eldridge and Mrs. W. Melvine Plimpton served coffee and parfait. Mrs. Frederic Thielsen, Mrs. William Burghardt, Jr., Miss Ellen Thielsen and Miss Aline Thompson assisted in the dining room and Mrs. Chauncey Bishop greeted the callers. The Benhams are leaving Salem about the first of the month and have planned to remain in Eugene for the winter.

Compiling Mrs. Andrew Frey, of Pasadena, California, who with her little daughter, Margaret have been Mrs. Z. F. Moody's house guests, this summer, Mrs. William C. Knighton asked a number of friends for a Kensington afternoon Thursday. Mrs. Frey was Miss Sadie Nelson before her marriage, and a resident of Salem. Two little maids, Louemma Waters and Margaret Frey, assisted the hostess in serving refreshments. For guests to greet Mrs. Frey Mrs. Knighton asked Mrs. Z. F. Moody, Mrs. F. R. Jessup, of Eugene; Mrs. R. P. Boise, Mrs. J. H. McNary, Mrs. J. H. Lauterman, Mrs. A. N. Bush, Mrs. H. W. Meyers, Mrs. C. L. McNary, Mrs. Frederick Stewart, Mrs. R. K. Page, Mrs. S. G. Sargent, Mrs. Harry Clay, Mrs. Jennie Kyle, Mrs. E. E. Waters, Mrs. George Waters, Mrs. Frederick Waters, Miss Margaret Cospier and Miss Stoughton.

 A party of eight from the younger married set left their automobiles at the wharf last Sunday and started in a launch with picnic hampers well filled and other conveniences and comforts for an afternoon's outing. Not many feet from the opposite shore the boat stranded and "consequences" followed. Notwithstanding this inconvenient and most amusing episode, the afternoon's rest was very delightful

As bridesmaid, Miss Mary Minthorn wore a pretty frock of white lingerie. The groom's attendant was the bride's twin brother. Twenty relatives and friends were served a wedding breakfast in the dining room, decorated with a wealth of Shasta daisies. This pretty wedding will interest very many Salem friends. CRITICAL TIME OF WOMAN'S LIFE
 From 40 to 50 Years of Age.
 How It May Be Passed in Safety.

Odd, Va.:—"I am enjoying better health than I have for 29 years, and I believe I can safely say now that I am a well woman. I was reared on a farm and had all kinds of heavy work to do which caused the troubles that came on me later. For five years during the Change of Life I was not able to lift a pail of water. I had hemorrhages which would last for weeks and I was not able to sit up in bed. I suffered a great deal with my back and was so nervous I could scarcely sleep at night, and I did not do any housework for three years."
 "Now I can do as much work as any woman of my age in the county, thanks to the benefit I have received from Lydia E. Pinkham's Vegetable Compound. I recommend your remedies to all suffering women."—Mrs. MARTHA L. HOLLOWAY, Odd, Va.
 No other medicine for woman's ills has received such wide-spread and unequalled endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills.
 If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
