**GOVERNOR WILL GRANT A REPRIEVE**

Whether he will reprove Jack Roberts sentenced to hang on August 23, for the murder of Donald Stewart, of Portland, Governor West would not say today. He declared, however, that he had reached a decision and the prediction is made that when he announces it that he will reprove him until the people have voted on the question whether or not they will abolish capital punishment.  
The supreme court yesterday afternoon denied a writ of probable cause of appeal for Roberts. Two questions were raised by his attorney, the jurisdiction of the court trying the case, and erroneous instructions to the jury, but the court held against both of them.  
Roberts is an ex-convict, and killed Stewart while endeavoring to rob him and other young men who were out automobiling. One of the other occupants of the machine was also shot, but not fatally.

He is as fully entitled to the title of general as any military officer who ever marshaled an army in the field."

**OFFERED JACK \$50,000 FOR TWO CONTESTS**

[UNITED PRESS LEASED WIRE.]  
Vancouver, B. C., Aug. 21.—A special to the World from Malawauke says:  
"The statement by Jack Johnson in Chicago that Mr. McIntosh has not offered him (Johnson) \$50,000 for his

meetings with Langford and McVey in Australia is not correct," said T. S. Andrews, representative for McIntosh. "The fact is," continued Andrews, "Johnson signed a contract to meet these two men for \$45,000 and \$5,000 expenses and tickets which is more than \$50,000 for two bouts. Mr. McIntosh wanted to deposit \$10,000 forfeit in a Chicago bank, but Johnson objected, insisting that Alderman Tearney be made stake holder and also insisting that \$50,000 expenses be put up. Finally, Mr. McIntosh agreed to post the money with Tearney and all Jack has to do is to say the word

and the money will be turned over to Tearney. All McIntosh asks is a guarantee that Johnson will go to Australia and carry out his part of the agreement."
