Hay fever and asthma make August a month of intense suffering to many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membranes. Wm. M. Meredith, N. Searsport, Me., says: "I suffered with asthma for many years and have used many a doctor's prescription without avail. A few doses of Foley's Honey and Tar Compound relieved me and less than a bottle caused a complete cure. I am glad to let others know what Foley's Honey and Tar Compound has done for me." No More Collar Troubles The latest machine for finishing the popular turn-down collar is now in operation in our plant. The outer portion of a collar is separated from the band so that a space is provided between making a natural and ample space, permitting free air passage of the necktie. This is the only method by which collars are turned, without cracking. A trial will convince you that our work is superior. Give us a trial and be convinced.
