Had Fight With Hoodlums—

Saturday night, about midnight, a drunken brawl and row took place in one of the alleys of the down-town district, in which a number of rowdies took part. The police took a hand in the altercation, when all of the ruffians attacked them. Officer Gaines floored three of their number before assistance came, after which J. A. Kelly, John Kelly, A. Fraser and Tom Searles were arrested. When brought before the police judge this morning each was fined 10 days. W. Kindlerberg was given a fine of \$2 this morning in police court for violation of the speed ordinance. He pleaded guilty to fast driving.

Back From Hunting Trip—

A party consisting of H. P. Minto, W. L. Jones, George G. Bingham, Oscar Bower, F. T. Wrightman and Eugene Willis returned from Southern Oregon Saturday night, at which place they have been hunting for the past two weeks. The party reported a splendid time and lots of game, among which was a five-point buck.

Hurt in Runaway—

A runaway occurred on the road near the reform school Sunday afternoon about 3 o'clock, in which Mr. and Mrs. Fred Cornu, of Pratum, were both injured. Mr. Cornu's spine was injured to the extent that he was unable to stand, and he was bruised about his body, as well as a scalp wound. Mrs. Cornu received several cuts and bruises, but was not seriously injured. The runaway was caused by the horse becoming frightened at a passing bicycle. Dr. Brewer attended the injured people, and they were taken to their home at Pratum by the ambulance in the evening.

Good Baseball Game Sunday—

Salem baseball fans had the opportunity of witnessing a fairly good game of ball yesterday on the local field between the Senators and the Weonas, of Portland. Salem, as usual, won, the score being 5 to 2. Jones, for the locals being the first man up, smashed a homer over the right field fence. One peculiar circumstance about the visitors' two scores is the fact that they were both made by the same man, Nelson, left fielder. Salem got 12 hits and Portland 7. The Weonas are credited with 2 errors, while the local made 4. Baker struck out 7 men and Gravelle for the Weonas caught 3 of our men napping.

Will Have Charge of Display—

John T. Albert, formerly of this city is in the city, having come to take charge of the exhibit of the International Harvester Company of America. The company represented by Mr. Albert has five cars of harvesting machinery now off the fair grounds ready to be set up, and he will begin this work today. The exhibit consists of traction engines and a general display of farm machinery. This company has for a long time been the largest exhibitor of farm machinery at the annual state fairs and this year the exhibit will be up to former years, if not better. Mr. Albert has had charge of the display of this company for a number of years.

A False Rumor—

A rumor has been prevalent here for the past 24 hours that Rev. Green, of Eugene, had confessed to killing his daughter. It is absolutely foundationless, for a wire to Eugene disclosed that no such confession had been made. No suspicion rests on the bereaved father.

All Made in Oregon—

The Woolen Mills store has a creditable display of Oregon made goods in its window consisting of blankets, gloves, mackinaws, sweaters, shirts, coats, etc. This display shows a small part of the textile manufactures of the state and is set off to good advantage by a box of early Crawford peaches, 40 to the box.

SHE PREFERRED DEATH TO GOING BACK TO ASYLUM

Tacoma, Wash., Aug. 26.—Mrs. William Wright preferred death to returning to the Stellacoom infirmary.

Some time after she had retired Saturday night, Mrs. Wright arose and dressed without disturbing other members of her family, left the house walking straight to the Thirty-fourth Street bridge, where she plunged headlong to her death in the gulch below. Her body was found early yesterday morning by two little boys who were playing Indian.

Mrs. Wright was allowed to return to her family from Stellacoom hospital that she might eat Christmas dinner at home. Fear that she would be taken back preyed upon her mind constantly, say members of the family.

Give a woman her way and get a reputation for generosity. She'll have the way, anyhow.
