GIVE PROPER CARE TO THE HAIR AND YOU WILL NEVER NEED A WIG

The man who wears a toupee does not like it, but has the courage of his convictions.

Nature never intended that the top of the head should be left entirely without protection. A bald head is very susceptible to contraction of colds and neuralgia. Wearing an artificial top piece counteracts this tendency, and, aside from the improvement in the personal appearance, is amply justified.

How much better it would have been had the man, now chronically bald and wearing a toupee, but realized earlier in life the approaching danger and devoted a little regular attention to his hair, which would have saved it.

There is a remedy which will absolutely prevent baldness. Loss of hair in nine cases out of ten is unnecessary, being due to dandruff and the germ that causes it. This germ must

be destroyed and the accumulation of dandruff checked. Then the hair will not fall out, but instead will grow naturally and luxuriantly.

Newbro's Herpicide is the remedy regular applications of which will do this. It has long been known as the original remedy that kills the dandruff germ and is absolutely dependable.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Herpicide applications may always be obtained at the better barber shops and hair dressing parlors.

Anyone desiring to try Newbro's Herpicide before purchasing a large bottle will receive a nice sample and booklet by sending 10c in postage or silver to The Herpicide Co., Dept. R., Detroit, Michigan.

Colonel's Talk Short.

[UNITED PRESS LEASED WIRE.] Indianapolis, Sept. 3.—Speaking here today, Colonel Roosevelt told the crowd that the progressives are getting the people of the east infected with the western spirit. His speech was brief, as he wished to confer at length with former Senator Beveridge and one of his hours here was lost when his train drew in that much behind schedule.

Last Ship for Nome.

[UNITED PRESS LEASED WIRE.] Seattle, Wash., Sept. 3.—Residents of the Arctic settlements of Golovin, Teller, Deering, Keewalik and Kotzebue will receive their last winter supplies and Christmas presents this year when the steamship Leelanwa, which sailed for Nome today, arrives at its destination.
No more ships will enter the Arctic sea this year.

A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is hatched in the tonic which gives life to the blood—the vital force of the body burns brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT of roots, without a particle of alcohol or narcotic.

"It is with the greatest pleasure, that I write to let you know of the great benefit I received from the use of your medicine and self-treatment at home," writes Mrs. Wm. H. HAYES, of Ledyard, N. C. "I suffered for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was to consume that and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment this sore is healed, and I enjoy better health than I ever did. I dressed the wound with Dr. Pierce's All-Healing Ointment and took the 'Golden Medical Discovery' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

SEATTLE'S MAYOR HAS EXPERIENCE WITH A MULE

Tacoma, Wash., Sept. 3.—Relatives of Mayor Cotterill, of Seattle, residing here today disclosed the information that the mayor's recent confinement to his home was caused by an accident on Mt. Tacoma which nearly cost the official his life. R. B. Smith, nephew of the mayor, says Cotterill was ascending the mountain a few days ago, astride a mule. At a treacherous point in the trail, Mayor Cotterill was thrown from his animal. He was severely shaken and bruised in sliding down the mountain side for some distance.

FRIENDS WORRY OVER FAMOUS TENNIS PLAYER

[UNITED PRESS LEASED WIRE.]

Santa Monica, Cal., Sept. 3.—Relatives and friends of Mrs. Harold Hopewell, formerly Miss Violet Sutton, of the famous Sutton tennis exponents, are fearful that she may be in trouble at Torres, Sonora, Mexico.

Mrs. Doeg's family has no word from her for three weeks, and it is known that rebel bands have been operating in the Torres section. They hope, however, that she is safe in the American colony at Torres.

Miss Sutton at various times held the state and Pacific Coast singles title in women's tennis and at one time was national woman champion.

CORVALLIS WOMAN BREAKS HER LEG

Mrs. Nancy Herron, mother of R. C. Herron, of Corvallis, fell Saturday morning, broke her hip and sprained her ankle. A wooden walk in the western part of the city near her home was the scene and the cause of the accident. Mrs. Herron was on the way to a neighbor's and slipped on a portion of the walk that had been made slippery by the drippings from a tree or by moss. She took a terrible tumble and suffered what is ever recognized as a bad injury. Mrs. Herron is past 60 years of age.

VERMONT'S STRAW VOTE CAST TODAY

[UNITED PRESS LEASED WIRE.]

Montpelier, Vt., Sept. 3.—The relative strength of the republican and progressive parties in Vermont is under the "acid" test today in the first state election held since the birth of the new party headed by Colonel Theodore Roosevelt, of New York, and Governor Hiram Johnson, of California.

The early voting was the heaviest in the history of the state. At noon it was estimated that 75,000 voters will decide between the five candidates in the race for governor. As Colonel Roosevelt, Judge Ben Lindsey, of Denver, and former Senator Albert J. Beveridge, of Indiana, roughly canvassed the state for the progressive nominee, the outcome of the voting is awaited with keen interest.

Chairman Williams, of the republican state committee, claims a clear majority for the republican nominee, but E. W. Gibson, progressive campaign manager, disputes this claim. He maintains that the combined progressive and democratic vote will prevent the republican nominee from the majority necessary for election. The progressives admit that Vermont is normally republican, and while they do not predict victory for the progressive nominee, they assert that the democratic and progressive vote will be sufficient to block the election of the Taft republican.

GIRLS WERE SAVED BY HIS QUICK ACTIONS

[UNITED PRESS LEASED WIRE.]

Tacoma, Sept. 3.—Two adventurous girls, Gladys Flasket, daughter of a local attorney, and Hazel Holmes, are none the worse today for their experience yesterday when they narrowly escaped drowning in the Sound. The girls were spending the day at Manzanita Beach, near here, and, despite warnings, they ventured out on the rough water in a canoe.

Fearing a tragedy, J. Clyde Gazeley, an Oakland, Cal., youth, visiting at the summer resort, put off in a skiff, and followed the girls. Shortly after he left shore the canoe was caught by a big wave and capsized. Neither girl could swim, and both owe their lives to the prompt action of young Gazeley.

Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by J. C. Perry.

THE WOMEN WORKED HARD AT THE POLLS

[UNITED PRESS LEASED WIRE.]

Cleveland, O., Sept. 3.—Undaunted by a heavy downpour, Cleveland suffragettes, "wet to the skin," worked at the polling stations all day long today, and won many converts to their cause. The voters of the state are balloting on 42 proposed changes in the constitution, one of which would give the ballot to women. Secretary Gangwer of the board of elections declared this afternoon that he never saw an old party organization operate so effectively as the women here worked today. Gangwer said they deserved to win.

In addition to woman suffrage, some of the most important questions to be decided are the initiative and referendum, good roads, taxation, the minimum wage, and a change in the judicial system.

President Makes Gift.

[UNITED PRESS LEASED WIRE.]

Milbury, Mass., Sept. 3.—President Taft caused rejoicing among the pastor and trustees of the little Lutheran church here, when a check for \$200 was received today from the chief executive of the nation.

The gift was due to the interest taken in the church by the president's mother during her lifetime. Mrs. Della Torrey, aunt of President Taft, is a member of the church.

Will Hold Inquest.

[UNITED PRESS LEASED WIRE.]

Tacoma, Wash., Sept. 3.—Coroner Shaver today ordered an inquest to be held over the body of Mrs. W. G. Woolbridge, wife of the aged pastor, who was run down and killed Sunday night by an automobile driven by A. W. Tweeden, a Tacoma contractor. The old minister, himself in the hospital here, has cleared Tweeden of all blame connected with the accident, but Coroner Shaver is not satisfied with ending the case there. The inquest will be held to determine who was at fault tomorrow morning at 10 o'clock.

WIFE'S HEALTH RESTORED

Husband Declared Lydia E. Pinkham's Vegetable Compound Would Restore Her Health, And It Did.

Ashland, Ky. — "Four years ago I seemed to have everything the matter with me. I had female kidney trouble and was so bad off I could hardly rest day or night. I doctored with all the best doctors in town and took many kinds of medicine but nothing did any good until I tried your wonderful remedy, Lydia E. Pinkham's Vegetable Compound. My husband said it would restore my health and it has." — Mrs. MAY WYATT, Ashland, Ky.

There are probably hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering. Read What Another Woman Says: Camden, N. J. — "I had female trouble and a serious displacement and was tired and discouraged and unable to do my work. My doctors told me I never could be cured without an operation, but thanks to Lydia E. Pinkham's Vegetable Compound I am cured of that affliction and have recommended it to more than one of my friends with the best results." — Mrs. ELLA JOHNSTON, 324 Vine St.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

PEEVISH CHILDREN SUFFER WITH WORMS

Don't be angry with your child because he or she is continually irritable. In 99 out of 100 cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness—which often leads to epileptiform attacks—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite.

Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than 80 years. Insist upon Jayne's Tonic Vermifuge and accept no other. Sold by druggists everywhere. Dr. D. Jaynes & Son, Philadelphia, Pa.

Effective Home Remedy for Tuberculosis

It is a serious matter when the lungs are affected. A trip away to a sanatorium is not only tremendously expensive, but it involves separation from home and friends. Some are benefited, but none can safely return. Eckman's Alternative is effective in leaving home necessary. For example: 221 S. Atlantic Ave., Haddonfield, N. J. "I am a sufferer from tuberculosis. I contracted a very severe cold, which settled on my lungs. At last I began to cough and spit, and my physician was told me I must go to California immediately. At this time I was advised to take Eckman's Alternative. I started at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1913, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now five years since my cure has been effected, and I cannot praise Eckman's Alternative too highly. I have recommended it with excellent results." (Signed) W. M. BATEM.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in purifying the system. Does not contain poisons, opium or habit-forming drugs. Ask for booklet of cured cases and write to Eckman's Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading druggists and J. C. Perry.
