SOCIALISM IN OUR DAY.

The only party in the field, that has a square issue for everybody, justice to all, partiality to none, we stand for equal opportunity to all men and women alike, the enforcement of all laws regardless of the social or political standing or of wealth or poverty. We demand the public ownership of public utilities, the employment of home labor on all public works, and of an eight-hour day of labor, and that officers are only men and women, and when elected to office, are the servants and not the masters of the party, but are only chosen to represent the interest of the whole people. We therefore present to the people our chosen representatives, chosen to fill the positions at the November election and ask the support of all voters that want justice carried out; the pledges of the old parties have been a farce, made to be broken as has been proven for the past twenty years. Yours for justice in our day.

STOMACH UPSET? SOUR? "CASCARETS"

GENTLY BUT THOROUGHLY CLEANSE AND REGULATE YOUR STOMACH, LIVER AND BOWELS WHILE YOU SLEEP.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.
