

IGNORED HER EVEN IN DEATH

MRS. JACK JOHNSON BURIED TODAY—NONE OF HER FORMER WHITE FRIENDS PRESENT, BUT SEVEN THOUSAND NEGROES.

[UNITED PRESS LEASED WIRE.] Chicago, Sept. 14.—Ostracised in death, as she had been in life, by the members of her race because of her marriage to a negro, Mrs. Etta Durycie Johnson wife of Jack Johnson, world's heavyweight champion, was buried here today in Graceland cemetery. Of all her relatives and former friends who honored her as the wife of Clarence Durycie, the millionaire New York turfman, only two remained. These were her mother, Mrs. David Terry, and Elaine Terry, a sister, the only white persons who attended the funeral. It was estimated that 7000 negroes attended the funeral, held at St. Mark's Methodist church at 11:30 o'clock this morning and conducted by the Rev. J. Robinson, a negro. Seven negro pall-bearers carried the coffin from the hearse to the church and from the hearse to the grave. Fifty automobile loads of negroes comprised the cortege.

Jack Johnson, a broken man, rode in the automobile which carried his wife's mother and sister. He sobbed throughout the entire ceremony. A trained nurse accompanied the fighter to the grave, his friends fearing he would suffer a nervous breakdown.

REPUBLICANS BOLTED THE CONVENTION

[UNITED PRESS LEASED WIRE.] San Bernardino, Cal., Sept. 14.—Overwhelmed in numbers by the bull moose element, the regular republican delegates to the San Bernardino county republican convention, which opened today, bolted and marched in a body to another hall to hold an independent convention.

Preparatory to bolting, resolutions for withdrawal were passed about among the regulars. Their action is based on the allegation that while all delegates to the convention are pledged to republican principles, a majority propose to endorse Roosevelt.

Dead silence marked the departure of the regulars. The progressives then continued with the organization of the convention.

THE BASEBALL MEN TO GATHER IN PORTLAND

Ray and Earl Baker and Perry Jones will go to Portland tomorrow to be present at a meeting of the managers of amateur base ball teams of Oregon. Work in connection with the formation of base ball teams for the coming year as well as to close up the business of the present year will be attended to.

With the start made this by Manager Baker, baseball fans are looking forward to big things from the Salem team for next year. We have been especially fortunate this year in the number of games played on the local grounds, of which only two games were lost out of 20 played.

The implicit confidence that many people have in Chamberlain's Colic, Cholera and Diarrhoea Remedy is founded on their experience in the use of that remedy and their knowledge of the many remarkable cures of colic, diarrhoea and dysentery that it has effected. For sale by all dealers.
