Democrats, Attention—
Come and bring your friends to the big Democratic rally tonight in the hall on Liberty street between State and Court, formerly occupied by the Salem public library. Local candidates and others will speak.

Schools Open Monday—
Everything is in readiness for the opening of the public schools next Monday. Both the Highland and Richmond schools are completed and ready for the reception of pupils on the opening day. On Monday at the opening pupils will be assigned to their re-

spective class rooms, where they will be furnished booklets for their classes. Parents are urged to have their children on hand at the opening day if possible as it has a tendency to demoralize the schools for pupils to enter after the class is well under way.

Railroad to Fir—
The new railroad to Fir will soon be completed. It is only six miles and it is reported track is being laid at the rate of half a mile a day.

A Teachers' Meeting—
A general teachers' meeting was held this afternoon in the high school and was attended by practically all the city teachers. Superintendent Kuntz presided and made his first annual address.
