Severe Indictment of Bull Moose Leadership from the Standpoint of Sincerity

is defeated for the presidency this year, it must be laid at the doors of the selfishness of the leadership.

Admitting that all men are actuated by personal selfishness to some extent, there are crises in the history of the country when

United States has ever produced,

Knowing that he had run for the presidency several times and that his candidacy meant a fight within the party of great

His personality was not allowed to inject itself into the situation to produce strife and discord and weaken the possibilities

along the cause of the progressives in the national Republican convention from beginning to end,

He had back of him the cleanest and most intelligent element of reform voters all over the nation and many of them weakened

for principle he would not have sulked and played the marplot in the progressive cause as he did.

But he stood for La Follette alone, and had not a good word for any other candidate flying the banner of the progressive party, and he was a smaller man when the convention was over. His position is virtually-"I am the only man fit to be entrusted with the cause of reform, and no other leader is sincere

He did eulogize Senator Dolliver, who was dead and safely

ing above personality and dedicated alone to principle, helping to advance the cause of progressive Republicanism.

al convention of the Republican party, and he muddled progressive principles with personal ambitions so badly that he could not see or tolerate the idea of any other man at the head of

His floor manager was Governor Hadley, of Missouri, a clean and clear-headed, courteous gentleman, who was elected a Republican progressive governor from a Democratic state.

His championship of the progressive cause on the floor of the voted on at the regular city election paid by themselves or their grant- issuance and sale of said bonds, for convention was not abusive, but harmonizing and shone bril- to be held in said city on the 2d day ors on account of the special the purpose of paying one-twentieth liantly in contrast with the vituperation of Johnson, Heney and of December, 1912.

After two days' struggle the convention indulged in a demonstration of forty-two minutes in honor of the gallant Republican For an ordinance providing for an adoption of this amendment, for the as herein provided, and paid on the progressive leader from Missouri.

The old Republican leaders and the great bulk of the La Fol-ter of the City of Salem, Marion remainder of such funds to be applied during each and every year until the lette and Roosevelt delegates would have gone to Hadley as a County, State of Oregon, to be sub- to the payment or re-funding of any full amount thereof is paid and satiscompromise candidate with a rush, and the day would have been mitted to the legal voters of said City bonds, warrants, notes or other evi- feed, the following amounts per an-
