Children Cry for Fletcher's CASTORI

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his per-All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children-Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Pares goric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhœa. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea-The Mother's Friend.

GEORGE BERNARD SHAW'S BEST AND GREATEST COMIC OPERA TO BE HERE NEXT MONDAY.

Brimming with melody and effervescent with the satiric humor of George Bernard Shaw, "The Chocolate Soldier" will come to delight local theatre-goers, with all the elaborate equipment of the splendid Whitney Opera Comique orchestra on Monday, November 4, 1912, at the Grand opera

house Entirely an unknown quantity, this opera marched into New York and won auccess for itself unequalled in the last two decades, and then entered Chicago, London, and compelled a

greater praise than Chicago and London critic, had ever before given a light opera. Not only is the melodious score by Oscar Strauss real music, overflowing with the appealing sensuousness of the Viennese love music and whirling, gypsy-like marches that, if one may judge by the fragments that have preceded its coming, set the that have preceded its coming, set the toes to tingling, and the heart to beat-ing, but the story contains delightful comedy, its plot is consistent, and plausible and the characters are human beings in an explainable way. "The Chocolate Soldier" has been engerly seized by those optimistic critics who believe the "average man" is more than ready to welcome true music, whether or not it may be "catchy" for no opera has been so an-

mony, and yet has played to such tremendous audiences during its season's stay in New York, Chicago and London, thereby indicating its equal entertainment.

Child Labor and Health.

"Child labor predisposes to tuberulosis. This does not apply excluevely to child labor in the factory. In many cases child labor in the home is as bad as in the factory, and the danger from tuberculosis is just as great." These are from the statements made in a paper before the recent Congress on Hygiene and Demography in Washington by Dr. S. Adolphus Knopf, of New York. "Tuberculosis is a social disease in the final analysis. It can not be eradicated until we have social
