NOT IN THE LUMBER COMBINATION

We wish to advise our many customers and friends that we are not in Consolidation made by the purchase of the Remmon Lumber Co., by the stockholders of the Falls City Lumber Co., and Anderson Lumber Co. You may therefore be certain that when submitting your lumber bills to us for quotation, you are purchasing lumber not to be governed by the Combination Prices made by the latter concerns. Our prices are reasonable and our material the best. Call and see us.

THE WOMAN MAKES THE HOME

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthy, or even suspicious, food accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, fish, or flour baking. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.

The Baker of the Future

The specimens of bread now before you have been baked, not in the kitchen of the household, but in the midst of the military uniform, by the hands of men who know that they and their country are at stake. In the midst of the battle, without running water, without fire, in the most trying circumstances, these brave men are able to make bread. In their present situation they are not able to judge it as a normal man judges it, for it is made in the midst of the battle, surrounded by bullets and shells. It is a sad commentary on the conditions of the soldiers that they are not able to judge their bread as a normal man judges it.
