Overland Express wrecked by one of the jokes to be sprung at the big show to be given at the Grand, Friday, Dec. 6th. Come and hear it.

A large audience gathered in the Grand opera house last night to hear Dr. F. J. Fluno, a Christian Scientist of Oakland Cal., who delivered a talk on Christian Science. The speaker's address was very interesting and entertaining and the large audience fully appreciated it.

World's greatest singer at the Grand opera house tonight. You can't afford to miss it.

The auto fire truck yesterday afternoon scattered pedestrians when an alarm was sent in calling it to Mission and High streets where a chimney fire was in progress. The big truck whirled over the South Commercial street bridge and up out of sight over the hill in surprising short time. No damage resulted from the fire.

Evidently Dan Cupid is loafing around and doing absolutely nothing for the good of his country. Although six days have elapsed, not a single marriage license has been issued by County Clerk Allen. Last month, the office issued 55 licenses and the month before that 56 licenses were placed in circulation. From the appearance of the present month's business, the marriage business is going to be very poor, unless the girls catch some of the boys in their Christmas stockings.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quick-ly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our grandmothers kept their hair dark, glossy and abundant by the use of a simple "sage tea."

Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderfully beneficial effect.

Nowadays we don't have to resort to the old-time tiresome method of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves; and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

This preparation gives youthful color and beauty to the hair, and is one of the best remedies you can use for dandruff, dry, feverish, itching scalp and falling hair. Get a fifty-cent bottle from your druggist today, and you will be surprised at the quick results. All druggists sell it under guarantee that the money will be refunded if the remedy is not exactly as represented.
