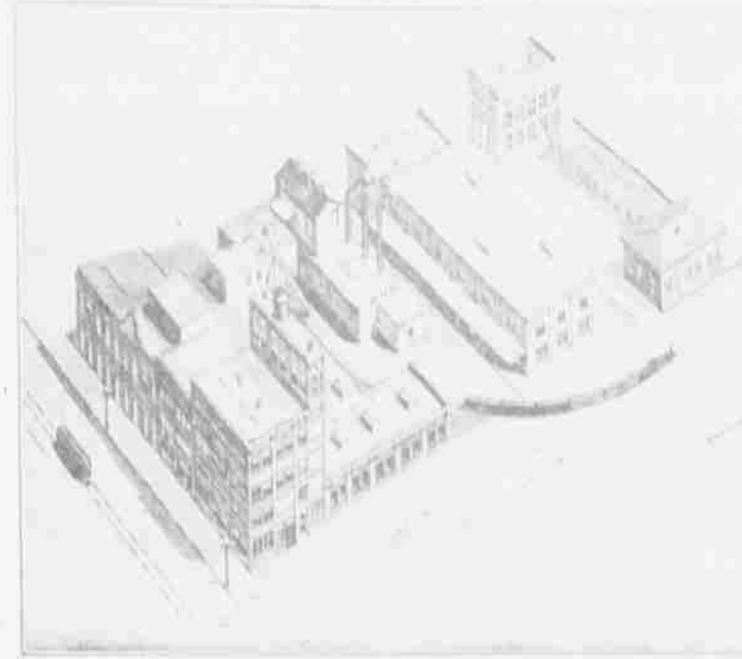
What Shall a Man Drink?

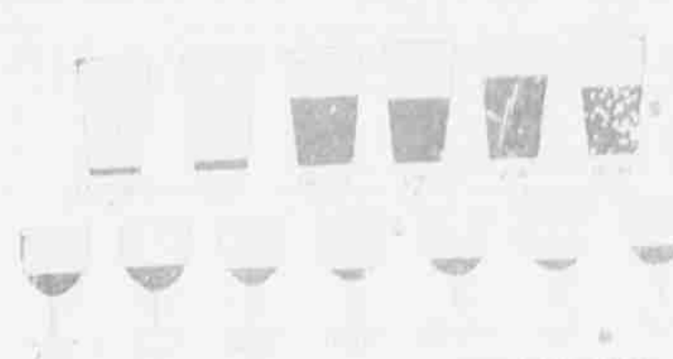


A question much in the public mind nowadays is "What shall a man drink?" Or rather, what may he drink? "Water," you say, "of course." But the purity of the water supply is the problem in every large city. [illegible] "God defend me from the still water, and I'll keep myself from the rough." [illegible] the people of New York have been warned [illegible] the water by the head of the Health Department and have been urged to boil it before drinking. Have you ever thought of the [illegible] and labor this would involve if it were carried into general practice? The fuel, the implements, the fitting, [illegible] for every floor of every tenement; in every restaurant and office, in public places and drinking fountains. Truly it is a "counsel of perfection," which practically [illegible]

Why Drink Water When You Can Get SALEM BEER?

"It is in the breweries that [illegible] as it is possible [illegible] The water used in the [illegible] distilled. The hops and malt are absolutely clean before being [illegible] into the manufacturing process. [illegible] washed, [illegible] and thoroughly sterilized. [illegible] bottles it is pasteurized [illegible] which might have [illegible] ture. The person who [illegible] before him is a product [illegible] that he may know [illegible] be said to be absolutely pure."

Salem's Famous Bottled Beer [illegible] are [illegible]



Salem Brewery Ass'n.
