

Luther McCarty Wrestling A Bear as Training Stunt

Photo by American Press Association.

WRESTLING with a bear while training for his fight with Al Paizer was the hazardous feat accomplished by Luther McCarty, the white heavyweight champion of the world. McCarty has had a varied career. He has been a district messenger boy, cowboy, farm hand, lumberjack, deep sea sailor, bill sticker, constabulary and man of all work. He learned to fight with his fists as a part of his scheme of life. One of his first big ring battles was in 1911, when he substituted for a fighter who had "run out" of a match with Walt Adams, heavyweight champion of Canada. He licked Adams in the second round. He later attracted attention by knocking out Carl Morris and defeating Jim Flynn.

PREACHER HORN IS A FREE MAN AGAIN

Was Accused of Bigamy, But Says His Brother, Not He, Married the Accusing Woman.

Redwood City, Cal., Feb. 13.—Rev. Frank Horn, former pastor of the First Baptist church at Richmond, Cal., whose trials since Eva Mae Metz, his alleged wife accused him of bigamy, have been many and varied, walked out of the jail here today a free man.

Horn, the woman says, married her here under the name of DeTovrea and was alleged to have previously married Miss Bidwell in Everett, Wash. This Horn denied. He admitted having lived with the Bidwell woman, but declared no marriage ever had been performed although he did get a license to wed her in Oakland.

The harassed pastor, who has been accused of escapades in other California towns, declares that his twin brother is the man who married Miss Metz. She says the preacher is the man.

Miss Metz, Mrs. DeTovrea or Mrs. Horn—as she claims to be—announced in San Francisco today that she would push a suit for divorce.

ATTEMPTED TO POISON CAPTAIN OF POLICE

New York, Feb. 13.—A plot to poison Police Captain Walsh, whose confession is alleged to have involved a number of high police officials in New York's police graft scandal, was reported today. District Attorney Whitman ordered a nurse and doctor to inspect all food prepared for Walsh. A heavy guard was thrown about his residence.

"Some family in this building," observed the stranger, sniffing, "is cooking cabbage today."

"All of 'em, sir," said the janitor. "It's the understanding among all the renters that Monday is the reg'lar cabbage day."

MARCH THROUGH THE MUD

Metuchen, N. J., Feb. 10.—Expressing no fear of the bad roads ahead, the "on to Washington" suffrage army of 16 from New York started for Princeton early today. They expect to arrive there late this afternoon.

"General" Rosalie Jones, leader of the band, has named her followers "The Army of the Hudson."

The army presented a somewhat bedraggled appearance when it arrived here, the muddy roads having presented but few "high spots" for the dainty booted feet. The marchers managed to get in a lot of ballot talk, despite the hard going, however, and were smiling and happy when greeted by the curious crowds here.
