

FINDS DAUGHTER IN LODGING HOUSE

Thirteen-Year-Old Girl Skips From Home—Is Found Here in Company With a Woman.

A case in which an unruly daughter and an anxious father figured prominently was brought to the attention of the police department last night when J. J. Baker, of Portland, called at the chief's office and requested that search be made for his 13-year-old daughter.

According to Baker, his daughter left her home in Portland last Tuesday night and came to Salem. She then went over to Dallas where she met a Mrs. Mason and the two returned to Salem. Being unable to follow the actions of the girl further, Mr. Baker appealed to the police.

A search was made last night of the lodging houses which resulted in the finding of Miss Baker and the Mason woman. The run-away girl was taken in charge by the officers and turned over to her parent. Mrs. Mason was requested to accompany the police when Miss Baker was taken charge of by the woman partly informed the police that she was of age and did not need any assistance from the city authorities to conduct herself in this world. There being no charge against her, the officers were compelled to overlook the remark notwithstanding the fact she was, the officers believe, instrumental in causing the 13-year-old girl to leave home.

Vetoed Bridge Bill.

Olympia, Wash., March 13.—Although Governor Lister vetoed the \$500,000 appropriation for the Columbia river bridge, there is still a chance for the bridge.

If the people of Clark and adjoining counties consider that the span will be worth enough to them to warrant the expenditure, it is possible for them to go ahead. This is the purpose of the bridge enabling act, signed by Governor Lister yesterday.

It provides that any city or county may unite with any other county, city or state to build a bridge, and permits the issuance of bonds and warrants for that purpose.

Sherman and Funk.

Springfield, Ill., March 13.—The Republican and Progressive members of the state legislature have combined to elect United States senators, but no effort was made to put the plan into effect today. Seventeen Progressives have agreed to support Sherman, a Republican, for the long term, the Republicans agreeing to support Funk, a Progressive for the short term.

The Oratorical Contest.

The state oratorical contest occurs at Newberg this evening. Contestants representing every college in the state will contest for the state supremacy.

Willamette will be represented by Eric P. Bolt, of the sophomore class, who will speak on the "Vitality of Nations."

Bolt is making his debut into the oratorical field this year. In the try-out he won over a quartet of freshmen aspirants, and is adjudged the author of one of the best orations that has ever been delivered from the local platform.

Harry McCain, who represented the school in this capacity last year, gained a national reputation as a platform speaker, winning second place in the national prohibition contest. This would seem to place a little larger responsibility on the local representative, but he is rising nobly to meet the additional weight.

Mr. Bolt delivered his oration before the student body at the yesterday morning's chapel service, and the students feel he will take high honors in the contest this evening.

A meeting of the State Oratorical League is being held at Newberg this afternoon. The following are present from Willamette: From the senior class, Miss Ling Heist and K. I. Mickey; junior class, Miss Laura Heist, president of the local association, and Ralph Stearns; sophomore class, Miss Gertrude Eakin and Leland Sackett; freshman class, Walter Gleiser and George Odgers.

A Cold, La Grippe, Then Pneumonia.

It is too often the fatal sequence. La Grippe coughs hang on, weaken the system, and lower the vital resistance. R. G. Collins, postmaster, Barnegat, N. J., says: "I was troubled with a severe la grippe cough and was completely exhausted after each fit of violent coughing. Before I had taken one half of a bottle of Foley's Honey and Tar Compound, the coughing spells had entirely ceased. I wish to say it can't be beat. All others are imitations. Dr. Stone Drug Store."

The women who are foremost in coming out after office may not be the most desirable specimens for that purpose, but it is even so in many cases with the men.

The Board of Trade is reported to be favorable to bringing the Chautauqua here. Some of the best attractions on the continent are promised. Among other features on the program is the famous White City Band of Chicago.
