**A SOUR, GASSY, UPSET STOMACH**

"PAPE'S DIAPEPSIN" REGULATES YOUR STOMACH AND ENDS INDIGESTION IN FIVE MINUTES.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

**ELECTRIFIES PEOPLE.**

that with each such commitment of capital its owners will be more and more impressed with the fact that they have made no mistake; that you will pull with us as partners and that together we will so handle and protect what has already been entrusted to our care that the task of raising all the succeeding millions we are bound to need in the development of this magnificent field will constantly grow easier. That so long as we, its representatives, meet and treat you as we would wish to be met and treated, we will be able to report that Oregon backs us to the finish and always totes fair."

**THOUSANDS GATHERED.**

(Continued from page 1.)

Miss West was garbed in a pretty white bonnet and coat and performed her part of the christening admirably. She displayed no nervousness, notwithstanding the position she occupied was rather shaky and the deep Willamette being in plain sight under the train wheels.

**Ceremonies Impressive.**

Probably there was never a christening or celebration of an opening of note held in this city so impressive as the one which took place today. No cheering took place until the official train passed over the entire length of the bridge. The event will be historic for Salem and one which will go down in the annals of the Capital City as being the most creditable and splendid display of enterprise ever known here.

The arrangements were made carefully and carried out in all precision. Not a hitch marred the plans for the official opening of the new bridge and the whole affair was the most complete and interesting ever arranged in this city. The railroad officials were greatly impressed with the greeting given them by the people of Salem and the large audience attending the christening also manifested appreciation of the event.

Automobile owners responded splendidly to the call for machines to escort the members of the different committees and the railroad officials to the West Side depot, where they boarded the train. L. S. Barnes carried Mr. Strahorn to the scene in one of his cars, while C. P. Bishop and others conducted other members of the inauguration party to the Marion county end of the bridge.

**Luncheon For Officials.**

With eleven officials of the Portland, Eugene & Eastern seated at the tables a luncheon in their honor was given in the grill room of the Marion Hotel at noon today. While these notables were feasting, the wives of some of them, together with prominent ladies of the city, were banqueted by Mrs. Robert E. Strahorn in a private grill room of the hotel.

Brief speeches followed the banquet to the officials. Those present were the following:

President Robert E. Strahorn, Superintendent of Southern Pacific Fields, Chief Engineer Guppy, Right of Way Agent Woods Auditor Nelson, Superintendent of Equipment Sears, Freight Agent Sheldon, Chief Traffic Clerk Forbes, Superintendent of Electrical Operation Billingsley, Publicity Agent Woodruff, and E. W. Rear, the builder of the bridge.

Those present in the ladies' dining room were Mesdames Robert E. Strahorn, Steeves, Hofer, Billingsley, Taber, Birdsall, Bynon, Crowe, Olcott Bingham, Houston, West.

**MUSICAL NOTES**

(Continued from page 3.)

five in the chorus and twenty-eight in the ballet.

This will be the first time in the history of Oregon music that grand opera in all its alluring magnificence has visited the state. The company, after leaving San Francisco, will play but two cities in the Northwest, Portland and Seattle, the week being divided between them.

Already Salem people are inquiring of each other: "Are you going to hear grand opera?" This splendid treat coming almost to our doors is causing a ripple of excitement in this city.

Under management of the famous Andreas Dippel, the company will open Monday night, March thirty-first, with a superb production of the much-talked-of new opera by Wolf-Ferrari, "The Jewels of the Madonna," which will embrace an unusually large cast of most of the important members of the company.

On Tuesday night, April first, Massenet's vivid, unpassioned opera, "Thais," will be given with Mary Garden in the title role.

The matinee on Wednesday, April second, will be a combination of light opera and ballet, with "Hans and Gretel," Humperdinck's fairy opera in three acts, as the central feature, preceded by the second act of Offenbach's fantastic opera, "The Tales of Hoffman," and followed by a remarkable series of grand ballet dancing.

That the movement in Germany to preserve Wagner's "Parsifal" for Bayreuth for all time would not succeed, despite the fact that the Crown Prince headed the signers of the petition and that the emperor was believed to favor it, had been generally expected, but the majority against it was much greater than had been looked for. The strongest arguments against a special law were that comparatively few persons would be able to enjoy it each opera year, and that it could be heard by opera lovers everywhere except in Germany.

The day following the committee's decision, Director Martensteg of Leipzig, announced that he would stage "Parsifal" on January fourth, nineteen hundred and fourteen, four days after the copyright expires.

Otto Loree will direct the production and the principal roles will be sung by Max Krueger and Fra Ruesche Endort.

**IN SOCIETY**

(Continued from page 3.)

The Queen Esther circle of First Methodist church held an open meeting at the home of Mrs. B. L. Steeves last Saturday afternoon, and presented an enjoyable little program after the business session. Delightful refreshments were served. The young girls of this order are raising funds to defray the expenses of educating a North Carolina mountain girl.

Mrs. B. L. Steeves, Mrs. J. O. Goltz, Mrs. W. T. Rigdon and Mrs. Henry Vandervort entertained Wednesday afternoon in Mrs. Steeves' home, for the Foreign Mission of First Methodist church. A large number of members attended the meeting and donated their annual thank offering. The afternoon closed with a luncheon.

**DOCTORS DID NOT HELP HER**

**But Lydia E. Pinkham's Vegetable Compound Restored Mrs. LeClear's Health—Her Own Statement.**

Detroit, Mich.—"I am glad to discover a remedy that relieves me from my suffering and pain. For two years I suffered bearing down pains and got all run down. I was under a nervous strain and could not sleep at night. I went to doctors here in the city but they did not do me any good.

"Seeing Lydia E. Pinkham's Vegetable Compound advertised, I tried it. My health improved wonderfully and I am now quite well again. No woman suffering from female ills will regret it if she takes this medicine."—Mrs. JAMES G. LECLEAR, 306 Hunt St., Detroit, Mich.

**Another Case.**

Philadelphia, Pa.—"Lydia E. Pinkham's Vegetable Compound is all you claim it to be. About two or three days before my periods I would get bad backaches, then pains in right and left sides, and my head would ache. I called the doctor and he said I had organic inflammation. I went to him for a while but did not get well so I took Lydia E. Pinkham's Vegetable Compound. After taking two bottles I was relieved and finally my troubles left me. I married and have two little girls. I have had no return of the old troubles."—Mrs. CHAS. BOELL, 2650 S. Chadwick St., Phila., Pa.
