DOCTORS INDORSE NEWBRO'S HERPICIDE FOR THE HAIR

When a doctor endorses a preparation it means more than an ordinary testimonial. His opinion is always that of the professional man devoted to the welfare of the people.

Dr. J. J. Boyd, Covington, Tenn., says: "I feel it my duty to write this for the benefit of those suffering from dandruff. In the average case a few applications of Newbro's Herpicide will remove all dandruff. It is advisable to continue its use for several weeks."

The words of J. B. Thompson, M. D., No. 2 Burrough Place, corner Hollis street, Boston, Mass., are not less enthusiastic: "I can only speak in praise of Newbro's Herpicide. It is all that is claimed and perhaps more. Herpicide not only cleanses the scalp but brightens the hair, gives it life and makes it soft."

Dr. T. A. Moors, Duncan, Ariz., writes of his experience: "My scalp was in places covered by patches of dry, scaly material and the itching was incessant. Since using Herpicide all these evils have disappeared and my hair is soft, smooth and growing. Hair has grown on spots before but thinly covered."

Newbro's Herpicide is "the original remedy to kill the dandruff germ" and stop falling hair. The terrible itching which goes with dandruff is allayed almost at once."

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications may be obtained at the leading barber shops. Be sure you get genuine Herpicide. Send 10c in postage for sample and book to The Herpicide Co., Dept. B, Detroit, Mich. 3-29-31*

LITTLE TALKS ON EVERY-DAY FINANCE

The Young Man's Era

THIS is the day of the young man in business.

Thousands of men, still young, are just now beginning to reap the rewards of their patient effort; thousands more are in the midst of the struggle which is trying their mettle and determining their right to survive; other thousands are preparing themselves with experience and capital to strike out for themselves.

¶ The young man who makes friends with a good bank creates a business ally that will help him at every turn.

¶ It will help him in the days when he is accumulating, step by step, his little "capital."

¶ It will help him in the days when he needs credit to reinforce his capital. It will give him the commercial counsel so necessary as a counterbalance to his enthusiasm.

¶ And it will help him when, his battle won, he looks forward to still greater achievement.

Want the Bills.

The Corporation Trust Co. of New York, has wired Secretary Olcott for copies of 16 different senate and house bills introduced and passed in the last legislature relating to railroads and water rights.

Secretary Olcott says that there is great need that the state provide for the printing in pamphlet form of all the most important bills passed by each session for the accommodation of persons or firms wishing copies of the measures. Under the present arrangement it is necessary for the bills to be typewritten and to charge those desiring copies 25 cents per folio of 100 words, and \$2 for certificate of transcript.
