Style is as Essential in Footwear

As it is in gowns or hats or suits, this is recognized by people who appreciate good taste in their appearance. One's footwear is about as prominent as one's gowns or suit. That is why Reinhart's Shoe Store is so popular. We have the products of the most famous shoe makers in the country such as Hanan, Edwin Clapp, Howard & Foster, Ziegler Bros., etc., shoes that are made at fashion's headquarters. Building Postponed.
The building of the union depot by the Portland, Eugene & Eastern Railroad Co., on the block enclosed by Marion, Liberty, Commercial and Center streets, has been indefinitely postponed. The reason given is the delay in the unmerging of the Southern Pacific and the Harriman systems.

Another reason for the postponement of construction work on the block is that the company wishes to first complete the electrification of all lines in the valley.

DON'T SCOLD CROSS, IRRITABLE CHILDREN

If Tongue Is Coated, Stomach Sour, Breath Feverish, Bowels Clogged Give "Syrup of Figs."

Mother! Look at the tongue! See if it is coated. If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomach-ache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and thirty feet of bowels are filled with poisons and clogged up waste and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours the foul, decaying, constipated matter, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness and you will surely have a well and smiling child shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of lucious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

Mr. Chapin, while at St. Paul, will also gather data for a farmers' institute, which he plans to hold there in a few weeks. He will be assisted in the institute by members of the faculty of the Oregon Agricultural College.

Local conditions generally will be studied by Mr. Chapin while at St. Paul, and a practical address will be given at a meeting of farmers which has been arranged for.

DISCOVERER OF THE SOUTH POLE COMING

BOARD BRINGS SUIT AGAINST SILVERTON

Would Enjoin City From Emptying Its Sewage Into Silver Creek or Its Tributaries.

In a complaint filed in the Marion county circuit court this morning by the State Board of Health, a decree is asked permanently enjoining the city of Silverton from permitting the sewerage and drainage of the city to be emptied into Silver creek, or any of its tributaries.

It is alleged in the complaint that Silver creek flows near the city limits of Silverton, and the residents along its shores use the water for domestic purposes. The grounds upon which the complaint is based are that Silverton recently constructed a sewer which flows through the city and is used by the citizens of that place continuously, and by reason of the sewerage and drainage being emptied in Silver creek, the health of the populace of Silverton and the public of the state in general who visit the town is endangered, and that the stream should be kept free from all refuse, in order to maintain health and prevent contagion.

Silver Creek is the only outlet through which the sewerage of Silverton can be distributed, there being no other stream in the vicinity that would answer such purposes. In the event the court renders a decree as prayed for in the complaint filed by the State Board of Health, the sewer constructed by Silverton will be rendered useless.

COMMENCES SUIT TO QUIET TITLE

The Society of the Sisters of the Holy Name of Jesus and Mary vs. Edward Davignon, et al., is the title of an equity suit filed in the circuit court today. The plaintiff is seeking to clear the title on several lots alleged to be possessed by it by reason of conveyance of parties in the year 1865.

There are about 30 defendants. It is alleged in the complaint that in 1865 Hezekiah Burford and wife conveyed to Hedwidge Davignon, known as "Mother Veronica," superiress of the Society of the Sisters of the Holy Names of Jesus and Mary, lots 1 and 2, in block 75, and that at the same time, or thereabouts, R. P. Boise and wife conveyed to the same persons lots 3, 8, 9 and 10, in block 75, in the city of Salem. In 1903, it is cited, Hedwidge Davignon died and left the property in question to the defendants.

On the grounds that the plaintiff has had possession of the property, and was not molested in any way for the past 30 years, and has improved the lots to the extent that they are now worth \$600,000, the plaintiff asks that a decree be rendered which will prevent and restrain the defendants from claiming any part of the property.
