UNDER PARCELS POST. Uncle Sam has made it possible for The House of Quality to deliver packages weighing up to "eleven pounds" at a very small cost. The going into effect of this law places our out-of-town patrons on the same footing as residents of this city. You are just as safe in shopping by mail as if you were buying in person. All orders are promptly and intelligently attended to. You run no risk in shopping with us for we guarantee satisfaction. No matter where you are; in the country, at mountain or shore, a line from you to us plainly stating what you want, will bring quick response. Try us when in need.

WOMEN'S AND MISSES' STYLISH SUITS, COATS, DRESSES, EVENING APPAREL, WAISTS, ETC.

Must be sold, and are offered for quick selling at very generously cut prices

A great cleanup of Suits and coats; your choice at \$5.00. Another rack of Suits and Coats selling at half price, and a rack at less 33 1-3 per cent--every garment reduced. Women's and Misses' Ready-to-Wear reduced in price. Visit this department and look through the great assortment of garments which we are compelled to sacrifice at lowered prices.

The backward season finds us with a much bigger stock than we usually have at this time, so we've cut the prices generously, and out they go--the season's newest purchases selling way below the usual moderate prices.

Those who are acquainted with the "Meyers" quality and the kind and style of garments we sell, will readily perceive the importance of buying now.

Why Just Buy Clothes?

Many men do--buy clothes by their looks--a pretty pattern and a good shape.

Would they buy a house that way? Never. First, do they like the looks of it? Yes, then who designed it, how is it built, and what is it built of?

To the men who buy carefully and critically, it's a pleasure to sell Stein-Bloch Smart Clothes.
