## ONE INNING FATAL FOR WILLAMETTE U

Ten Runs Scored by Chemawa When Braves Get Next to Lund's Curves.

## YOUNG GREAT TWIRLER

Takes Lund's Place and Holds Indians During Best of Game in Wonderful Exhibition.

Willamette was again defeated by Chemawa in the second practice game played between the University and the Indians on Willamette field yesterday. Brazier Small was to take the box for the University, but asked to be excused on account of the track meet with Chemawa Thursday, in which he is planning to enter a large number of events.

Drake, the head twirler, who is being saved for the Oregon game Friday, could not be put in, so Oscar Lund, one of the sub twirlers, who is a very good pitcher, when in shape, but who had not worked out in the box any this season, was called on to take the mound.

Everything went well for the first two innings, no one so much as getting a hit, but in the third a general balloon ascension occurred. Every one seemed to have taken the aeroplane route and the laws of gravitation could

## PAST FIFTY? YOU NEED "CASCARETS"

WHAT GLASSES ARE TO WEAK EYES, CASCARETS ARE TO WEAK BOWELS—A 10-CENT BOX WILL TRULY AMAZE YOU.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets and they cost only 10 cents per box at any drug store. They work while you sleep.

be fully demonstrated. Nine hits and 10 runs were registered against the University boys.

Young Gets on Slab. Young, who had pitched with such success the day before, again took the mound, and pitched wonderful ball for the last five innings, considering the hard game he had thrown the day before.

Chemawa added another tally in the last of the eighth, Downie making it to second when Shisler dropped a high fly, advancing to third on Adam's bingle and coming home on a single by Saunders.

Willamette acquired her only score in the ninth, when the pitcher muffed a liner, Lund making it to first, advancing to second on McRae's single, and registering at the plate on a two-bagger by Drake.

Lund also distinguished himself in the garden by twice crawling the high bank in right field and catching two flies.

Smith, coach of the Chemawa team, again umpired the game. Score:

## JOLTS

Karl King, formerly of Salem, is having great success at La Grande as manager of the baseball team there. He is catcher on the team and keeps close tab on the bunch.

Over a dozen sportsmen met at the Board of Trade rooms last evening to organize a gun club, and a temporary organization was effected by the election of Mark Siddall as president, and J. G. Bigham as secretary. P. J. Holohan, of Portland, outlined what had been accomplished elsewhere, and a membership committee consisting of Lloyd Hauser, Henry Veatch, J. E. Crowe, J. G. Bigham and A. S. Hussey was named. Another meeting will be held tonight in the same place to perfect organization.

Bud Anderson gives it out that he will be champion lightweight of the world within six months. It may be so, Bud.

Harry Wolverton, leader of the Sacramento team, is laying off for three days as a result of an argument with an umpire. The order of suspension came from President Baum.

The Billings, Mont., Athletic Club has offered a purse of \$10,000 for a match between Willie Ritchie, lightweight champion, and Joe Rivers, the match to take place Memorial Day.

Some men look for trouble in order that they may be prepared to dodge.

Deafness Cannot Be Cured  
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Heed the Cough that Hangs On.  
The seeds of consumption may be in lurk, and a cough that hangs on weakens your system, and lowers your vital resistance to disease. Take Foley's Honey and Tar Compound. It stops the cough, heals the inflamed membranes and strengthens the lungs. E. D. Rountree, Stillmore, Ga., says: "La Grippe left me with a deep-seated cough from which I could get no relief until I took Foley's Honey and Tar Compound. It completely cured me." Refuse substitutes. And what about a new refrigerator this season? A fine up-to-date sanitary refrigerator is not in the luxury class any more; it is a necessity.
