A man living at Auburn, New York, had a severe attack of kidney and bladder trouble. Being a working man, not wanting to lose time nor run up a heavy doctor's bill, he cured himself completely by using Foley Kidney Pills. A year later he says: "It is a pleasure to report that the cure was permanent." He has had no return whatever of the pain, backache and burning. His name is J. A. Farmer, and he says: "Of course I recommend Foley Kidney Pills as a very effective cure for kidney and bladder trouble." Dr. Stone Drug Co.

If only honest men took a hand in the political game it would be something like solitaire.
