STOLE FOR HIS BABY STARVED FOR WIFE

Juan Contraez Caught Peeping His Relations Through the Bars is Given His Liberty.

Los Angeles, Cal., May 6.—Juan Contraez is free today to work his fingers to the bone for the wife and little ones whose destitute condition got him into jail, and out again. Unable to buy toys for his babies, Contraez was arrested and sentenced to sixty days in jail when a policeman caught him stealing a ten-cent rubber doll from a toy shop for his year-old baby, Clementita. After he had been in jail two days, a turnkey saw him pass several pieces of hard prison bread through the bars of his cell to his wife, who had come to visit him. The occurrence was reported to Police Judge Frederickson, who called the man into court, where he met his wife and their five children. Their whole pitiful story came out, and Contraez was released, while court attaches, newspaper men and others made up a purse to last the family until Juan got a job.

A CLEAN SCALP MEANS BEAUTIFUL HAIR

HERPICIDE

There is nothing "just as good" as Newbro's Herpicide. Some dealers will even go so far as to tell you they have something better.

That dealer has an axe to grind. You can't stop his grinding, but you can prevent him grinding it at your expense. There is one sure, swift way to do it. Go where you can get what you ask for. You wouldn't be obliged to do this very often, as fortunately the majority of druggists are honest and conscientious. Newbro's Herpicide has been so long and favorably known as "the original dandruff destroyer" that no one should be deceived. When you need a hair remedy, you don't want one, which merely promises to kill the dandruff germ and prevent the hair from falling. You want one that will do it. Herpicide does it. The hair becomes soft and lustrous. There is life, snap and beauty where formerly the hair was dead, dull and brittle. Applications of this wonderful prophylactic may be obtained at the best barber shops and hair dressing parlors. Send ten cents in postage or silver to The Herpicide Co., Dept. R, Detroit, Mich., for a nice sample of Herpicide and a booklet telling all about the hair. Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee to do all that is claimed. If you are not satisfied your money will be refunded.

EVERY CHILD SHOULD BE GIVEN THIS TONIC

When children have no appetite; when they are continually peevish and irritable; when they are restless in their sleep it is almost a certain indication that their digestive organs are troubled with worms or other parasites. This is a very common ailment and easily remedied. Physicians will tell you that nearly every child is so troubled at some time, and, in fact, many adults suffer in the same way. Among adults this trouble is invariably referred to as indigestion, when in reality it is due to a small parasite which infests the intestinal tract.

For children, Jayne's Tonic Vermifuge is unsurpassed, as it is not only destructive to these parasites, but completely removes the nests in which their young are deposited. Seldom does it purge, and the improvement in the health of the child will be the first and best indication of the beneficial results of the medicine. Not only will the Vermifuge destroy all the parasites, but its wonderful tonic effects will restore the digestion which has been impaired.

For children, the addition of a little sugar will make it so palatable that they will take it readily. Millions of parents have praised it for more than eighty years. Insist on Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
