**MOTHER! WATCH THE CHILDREN'S BOWELS NOW**

If Cross, Sick, Feverish, Bilious, or Tongue is Coated, Give Delicious "Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative physic should always be the first treatment given.

If your child isn't feeling well; resting nicely; eating regularly and acting naturally, it is a sure sign that its little stomach, liver and 39 feet of bowels are filled with foul, constipated waste matter and need a gentle, thorough cleansing at once.

When cross, irritable, feverish, stomach sour, breath bad or your little one has stomach-ache, diarrhoea, sore throat full of cold, tongue coated, give a teaspoonful of Syrup of Figs and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious fig taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed--a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.
