## SENATORS WILL MEET STRONG TEAMS SUNDAY

McMinnville, Record of Six Straight Games Won, Is Coming Here to Give Battle.

The Salem Senators will battle next Sunday afternoon with the McMinnville team, and if the record of the visitors counts for anything, the Senators will have their hands full. McMinnville has won six straight games this season, the last victory being over the Weonas, a fast Portland team yesterday. Foster, the McMinnville pitcher, got 13 strike-outs yesterday.

The Senators rested yesterday, the grounds at Albany being in bad condition. Notwithstanding the fact that the team did not go to Albany, quite a number of people who had been planning the trip, went anyway.

## WILLAMETTE WILL MEET O. A. C. SATURDAY

Drake Will Be in Box for Local Lunch and Warm Game Is Certain to Be Pulled Off.

The weather permitting, next Saturday, the closing day of the Moose carnival, will see the biggest intercollegiate ball game of the season staged on Willamette field with the local university and O. A. C. as the contending factors.

The varsity will hold hard work-outs during the week and will attempt to be at the best they have been this season when the nine from the "farmers'" college invade the city.

Drake, the head twirler for Willamette will be in the box and the best lineup on the campus will be on the diamond when the contest is called.

## JOLTS

The New York Giants have struck their gait and have jumped from fifth to third place in a week. Chances are not bad that McGraw's men will again win a pennant.

Zamloch, a pitcher recruit from Missoula, Mont., deserved a shut-out in his first major league game Sunday when he occupied the box for Detroit.

Bud Anderson's brother, Freddy, predicts he will win his fight with Mandot tomorrow night in 6 rounds.

Beginning tomorrow, free swimming instruction will be given at the Y. M. C. A. to boys, the course to continue until the close of the school year. Boys must furnish towels, but soap is free and bathing suits are unnecessary. Boys not attending school are asked to see Physical Director Carter and make arrangements, and the following program has been arranged for the schools: East and Richmond schools, 4 p. m.; Grant and Highland schools, Tuesday, 4 p. m.; Park school, Wednesday, 4 p. m.; Lincoln schools, Thursday, 4 p. m.; Garfield and Kaglewood schools, Friday, 4 p. m.

It has been finally arranged that the relay race of the Salem and Portland Y. M. C. A.'s will start at 10 o'clock on the morning of June 7. This year the cups and medals will be furnished by the Portland association. Utter, Schaefer, Feicke, Welborn, Tallman, McKee, Kennedy, Radcliff, Patchin, Cooke, Simeral and Minton are training for the race and Minton will start it here.

### Two Splendid Gatherings

In the event of change of pastors of the Seventh Day Adventist church, two very enjoyable gatherings have been held by the members of the church at the home of Mr. and Mrs. F. W. Kelly, 1554 Court street, the first on the evening of May 31, being a reception in honor of Elder Thurston, of California, who will take the place of Elder Falkenberg as pastor of the Salem church. More than 100 guests were present, and the evening was spent in a social way, music filling a very large place.

The musical program was much enjoyed and included the following: Piano solo, Miss Olive Kelly. Piano duet, Miss Georgia Rice and Mrs. G. Fouts. Vocal solo, Mrs. Louis Warner. Piano duet, Misses Olive and Ethel Kelly. Vocal duet, Mrs. Thurston and daughter, Miss Vera. Vocal solo, Dr. Etta Heasley. Vocal selections were also given by the male quartet and the ladies' quartet. "Blest Be the Tie" was sung at the conclusion of the program by Elder and Mrs. Falkenberg. An abundance of dainty refreshments was served, after which a case of beautiful silverware was presented to Elder and Mrs. Falkenberg by the members of the church, with appropriate remarks by Dr. O. F. Heasley. Elder and Mrs. Falkenberg answered in words expressing gratitude for the gift, and for the love and co-operation of the church during his past two years of labor at this place. While their departure is much re-
