CHEMAWA WINS BY SCORE OF 3 TO 1

Good Stick Work Responsible for Victory of Indians Over Watt Shipp Team of Salem.

Good stick work won the game yesterday afternoon for Chemawa from the Watt Shipp team by a score of 3 to 1 on Baker field. Singles twice in the game, once with no one out, would have tied the score. A feature of the game was probably the wildest throw on record here by Downie in the sixth frame. The ball went over the first baseman and clear over the fence, giving Timm three bases on what should have been Lane was out, Barnum to catch.

The Indians started the fireworks in the second inning when Verigan hit for two stations. La Chance followed with a two-bagger, but Verigan was caught at the plate. Jim got a fielder's choice, and LaChance was an easy out at home. McDonald singled and reached second on Adam's single, while Jim scored. Lane was out at barnum to Veatch.

In the third frame Wilcox singled and stole second. Downie and Sanders struck out. Verigan got on when Timm made a wild heave, and Wilson scored. LaChance fanned.

In the fourth inning Jim singled and scored when Timm threw wild to second to head him off later in the session. McDonald and Adams struck out and Lane was out Barnum to Veatch.

The Watt Shipp started things with a two-bagger in the third frame, Bell, the first man up, doing the stunt. Bell was the foxy kid and stole third, and Holman struck out. Eberhart singled

and scored Bell. Eberhart stole second. Timm was out on a play from Downie to Sanders. The score:

O. A. C. TEAM LOST AND GAME IS OFF

Strenuous Efforts Made to Locate Farmers, Who Are Due Here for Game With Willamette.

The game between Willamette and O. A. C., scheduled to take place on the local 'varsity diamond yesterday afternoon, was not played, as the O. A. C. delegation failed to arrive.

Dr. Stewart, athletic director of the agricultural college, arrived in the city yesterday noon, coming from Corvallis, and expected his team to arrive from Seattle, where they had been playing the University of Washington. They failed to appear on any of the trains up to late last night.

Dr. Stewart failed to locate his team over the wire, and, although he wired every train and sent several messages to Seattle and Portland, the team could not be found.

The doctor stated that he had wired them Thursday before, and had received a reply to the effect that they would be on hand. He left for Portland on a late train last night, still vainly endeavoring to locate his squad.

JOLTS

By striking out 15 Chemawa men yesterday Barnum of the Watt Shipp team demonstrated that he will be quite a factor in the Twilight league games.

The Indians are hard hitters and Barnum demonstrated that he has a good wing. McDonald, the Indian pitcher is considered a very good man, but he had only 11 strike-outs.

Some of the boys in yesterday's ball game acted as though they were scared of the ball. No man can be a good hitter and stand several feet away from the home plate. If he lands on the ball it is generally an accident.

The University of Oregon team plans to unhorse the O. A. C. ball boys in the game scheduled for Saturday.

Pitcher Ryan, of Los Angeles, who pitched a no-hit game Saturday, could not stand prosperity and got so drunk that he is under suspension. Ryan told President Baum of San Francisco, what he thought of him when he got fall.

With a ball game today, tomorrow, two Saturday and another Sunday, Salem fans will have their fill. The game with the Vancouver Independents tomorrow will make the Salem Senators go along some.

HUSBAND TIRED OF SEEING HER SUFFER

Procured Lydia E. Pinkham's Vegetable Compound, which made His Wife a Well Woman.

Middletown, Pa.—"I had headache, backache and such awful bearing down pains that I could not be on my feet at times and I had organic inflammation so badly that I was not able to do my work. I could not get a good meal for my husband and one child. My neighbors said they thought my suffering was terrible. 'My husband got tired of seeing me suffer and one night went to the drug store and got me a bottle of Lydia E. Pinkham's Vegetable Compound and told me I must take it. I can't tell you all I suffered and I can't tell you all that your medicine has done for me. I was greatly benefited from the first and it has made me a well woman. I can do all my housework and even helped some of my friends as well. I think it is a wonderful help to all suffering women. I have got several to take it after seeing what it has done for me.'—Mrs. EMMA ESPENSHADE, 219 East Main St., Middletown, Pa.

The Pinkham record is a proud and honorable one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted which Foley's Honey and Tar Compound helped to alleviate. L. Poole, 2317 California St., Omaha, writes: "My daughter had a severe cough and cold but Foley's Honey and Tar Compound knocked it out in no time. My wife would not keep house without it. We have used it for years, always with good results." Dr. Stone Drug Co.
