FLORAL FEATURES WILL BE WONDERFUL

Landscape at Fair Grounds Is Being Transformed and New Record Will Be Made.

That the floral features of the state fair will eclipse all previous years is not unlikely from the present indications. Hugh Bryan, who has charge of the landscape fair, has had wonderful success for far, and the backward season lends itself admirably to floral culture, for the reason that it will bring the plants into bloom during fair time.

Three new firms are growing exhibition dahlias, and will have 1000 varieties that have never before been shown here. In addition to the usual large display of asters, geraniums and cammas, there will be a great display of bedding plants. A total of 600 tuberous begonias will be ordered by 400 vernal begonias, making 1000 in all, and these will be in bloom during fair week.

Such a floral display cannot be seen at any other state fair in the country.

RIVERS IS AFRAID OF BUD ANDERSON

Prefers to Meet Ritchie and Thus Hangs Onto His Title That Much Longer.

[UNITED PRESS LEARNED WIRE.]

San Francisco, May 22.—Prediction that Joe Rivers never will meet Bud Anderson through fear of the Medford boy's prowess is freely voiced here today by San Francisco fans who journeyed to Los Angeles to witness the Mandot-Anderson bout. For this reason, they say, Rivers prefers to meet Ritchie in San Francisco for the title July 4, rather than jeopardize his ring future by clashing with Anderson in Los Angeles on that date. Rivers had promised to fight before Promoter McCarey's club on that date, but it is said he is trying hard to get his release. McCarey planned to stage the winner of the Mandot-Anderson bout with Rivers. James J. Jeffries, former heavy-weight champion, is one of Anderson's strongest boosters, according to the returning fans here. He declares the Medford boy is the strongest light-weight he ever saw and is certain to be the next champion.

HOWDY PAPS

as the streams of water will be directed that way from the top of the Masonic temple.

The demonstration will give one an idea of the efficiency of the Salem fire department, and one which will be the first ever held here.

The Hubbard band, one of the finest musical organizations to appear in Salem so far this week, was on the streets today, and will furnish the music for tonight's entertainment. The band is composed of finished musicians and the music rendered is up in "G," or as much higher as you care to go.

Big Time Last Night.

With the Salem Military band to tickle the ears and fraternalism and carnival spirit prevailing, last night proved to be a winner, in both attendance and entertainment. The big fraternal parade was a hummer. About ten blocks of marchers were led by the band and three orders, the Moose, Maccabees and Woodmen of the World appearing. The parade was the largest ever seen in the city, and several flash-light pictures were taken from different points.

The silver loving cup for the best drilled team was won by the Order of Maccabees. The contest was held in front of the Moose hall and County Clerk Gehlar, Carl Abrams and C. L. Inms were the judges. Those participating in the contest, besides the winners, were the Moose and W. O. W.

Fine Time Tomorrow.

There will be something doing, and doing right tomorrow in Salem, as that date has been set as Dallas-Salem date. In fact, this day is set aside for every citizen in Polk, Yamhill and Clackamas counties. The Dallas band, an organization conceded to be among the leading ones in the Northwest, will arrive tomorrow morning, and furnish music for the carnival, and the Moose from every city in the three counties will be on hand to stir things.

Another big auto parade will be held tomorrow, and many cars are expected to arrive from Polk county, Dallas especially, to take part.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. BEEF STILL SOARING IN NORTHWEST MARKETS

[UNITED PRESS LEARNED WIRE.]

Tacoma, Wash., May 21.—Notwithstanding the arrival of more than twenty cars of Iowa corn fed beef at Carsten's Packing plant, prices today soared on steer beef to 14 1/2 cents a pound. At this price jobbers must ask 22 cents a pound. The advance affects the entire Pacific coast.

Thomas Carstens, the local packer, attributes the advance to a scarcity of cattle, made by numerous farmers entering the dairy industry. He advocates the removal of duty on Canadian cattle.

Showed Them the Pace.

New York, May 21.—The British, Belgian and Australian peace delegates from the government prison at Fort Dix first-hand idea of America's reputed swiftness and dash.

During their 15 days' stay here the delegates traveled 4000 miles, or a daily average of 266 2/3. They were guests at 55 formal breakfasts, luncheons and dinners, or an average of 2 2/3 formal meals a day.

A man living at Auburn, New York, had a severe attack of kidney and bladder trouble. Being a working man, not wanting to lose time nor run up a heavy doctor's bill, he cured himself completely by using Foley Kidney Pills. A year later he says: "It is a pleasure to report that the cure was permanent." He has had no return whatever of the pain, backache and burning. His name is J. A. Farmer, and he says: "Of course I recommend Foley Kidney Pills as a very effective cure for kidney and bladder trouble." Dr. Stone Drug Co.

MAUD ADAMS GAVE GREAT PERFORMANCE

'Peter Pan' Witnessed by House Crowded to Standing Room Only at Grand Opera House.

Before one of the largest houses that has ever filled the Grand, Maud Adams last evening played "Peter Pan" in her own incomparable way. It was a splendid presentation of the land of make believe and the audience was responsive and appreciative. Even skeptics, who disbelieve fairy stories, were carried away by the portrayal and the younger folks found in it what they have long believed and longed to see—a glimpse of Never Never land.

The action of the play centers around Peter Pan, as played by Maud Adams, and she was beyond criticism. There was standing room only for those who bought tickets last night, and hundreds were turned away two hours after the seat sale opened. The Grand is too small for first-class plays.

Socialists 'Condemn'

[UNITED PRESS LEARNED WIRE.]

San Francisco, May 21.—The Socialist party local of San Francisco has adopted resolutions condemning the incarceration of "Mother Jones" and a number of miners in West Virginia, and by resolution calls upon President Wilson to "enforce the constitution of the United States, and see that a republican form of government exists in that state, and that each of our comrades who has been so unjustly dealt with shall be liberated at once."

Copies have been sent to President Wilson and to Congressman John I. Nowland, San Francisco's union labor representative.
