ALBANY BALL TEAM HAS GREAT RECORD

Recent Game With K. of C. Team of Portland Indicated That They Travel Fast Pace.

Next Sunday the Albany baseball team will arrive at Salem about 2 p. m. on a special train, via the Southern Pacific, accompanied by a large bunch of Albany baseball fans. The train will be switched down near the Marion Hotel, where a parade will be formed, and they will proceed to do the town.

The Albany team has not been defeated this season, except by the Portland Northwest league team and the Regina team of the Western Canada league. They have won from the Honeyman Hardware Company's team, of Portland; North Bank, of Portland, and the Mt. Angel team by large scores, and last Sunday played the strong Knights of Columbus team of Portland, with Pat Hynes, of the Portland Northwest league club pitching for them, to a standstill, the game finally being called in the tenth inning to allow the K. of C. boys to catch their train. Paterson and Bigbee pitched for Albany, and only allowed their opponents eight hits. The score stood 9 to 9 when the game was called. Paterson pitched a swell game for Albany up to the sixth inning, when the score stood 8 to 2 in favor of Albany. In the sixth the K. of C. team made four runs, mostly on errors. Bigbee relieved Paterson at this time, although it was not Paterson's fault in the least that the four runs came in.

The K. of C. club was made up of nearly the same players as when they played at Salem, except that they had a Colt pitcher, instead of a Beaver pitcher, and for Albany to beat them 8 to 2 in the first six innings speaks well for their strength this season.

The Albany team has several new

players this season, and is an all around stronger team than last season, even against league pitchers. Captain Monson getting four hits in the game with the Portland Colts and Bigbee getting three hits out of four times up off the Regina league team's star pitcher. With Mickel, Monson and Bigbee in the field, they have as clever a fielding and hitting outfield as any semi-pro team in the valley. Their third baseman is in a class by himself. Of the balance of the infield very little is known, except Swann, who is playing second. He is a fast man and a good second baseman of considerable experience.

The Salem team has had a few weak spots so far this season, owing to several of last year's men not being on hand this season, and the bad weather not giving Manager Baker a chance to work up new material to fill them. However, for the game Sunday, it is expected that Salem will have those weak spots plugged so as to present a firstclass team. Albany is determined to turn the trick on Salem this season for the severe beating they received at the Senator's hands last season, and Manager Baker is just as determined to bring home the big end of the purse.

JOLTS

It is up to the Elks and Illheo teams to entertain a big crowd this afternoon at 4 o'clock. There should be a large attendance if the tag sale is any indication.

Final arrangements for the Salem-Portland Y. M. C. A. relay race Saturday have been practically completed. Minton will start the first lap for Salem at 10 o'clock and the other members of the Salem team will run in the following order: Fieko Schaefer, Klutts Jim, Spencer, Lafky, Hoggons, Patchin, Tallman and Utter. The Portland team has not been definitely settled, because it is not known whether Tom Booth and E. Treichel, of last year's team will be able to run. If they are not, the Portland association will be represented by 10 of the following 11 men: McDonald, Payton, Vanderlip, Gauthier, Moss, Fox, Quinn, Brown, Day, Fleming and Sawtell.

North Yakima has been warned that

her franchise in the Tri-State League will be taken away if the attendance is not better. It is the old story of a hush town trying to keep a league team without putting up.

Tonneman Goes to Seals.
Los Angeles, Cal., June 5.—Charles Tonneman, the catcher, released by the Venice Coast League team last week, announced yesterday that he had accepted Cal Ewing's terms and would leave tonight to join San Francisco.

No Substitute Could Do This.
No inferior substitute, but only the genuine Foley Kidney Pills could have rid J. F. Wallich, Bartlett, Nebraska, of his kidney trouble. He says: "I was bothered with backache and the pain would run up to the back of my head, and I had spells of dizziness. I took Foley Kidney Pills and they did the work and I am now entirely rid of kidney trouble. My father-in-law, now past 83 years, has taken them and they have added years to his life."
