Big Fighter Will Lose No Time in Starting for France, He Says in An Interview.

est of Secretary of State Bryan, the anadian government today ordered the arrest of Jack Johnson, the American negro prize fighter, and his deportation as an "undesirable immigrant," if he attempts to remain in the dominion. Johnson, who is here, fled from Chicago, following the reduction in his bail from \$30,000 to \$15,000, ostensibly en route to Russia.

Johnson wore a false moustache when he crossed the border.

The authorities here say the big negro can be arrested and deported only if he attempts to stay in Canada. He did not enter the dominion as an immigrant, but held through transportation from the United States to a foreign country. If he proceeds to France he will not be molested. Johnson declares he will sail on Tuesday.
