SAYS CHAPIN WON AND KEPT ON WINNING

By Ashton Stevens.
 Dramatic critic, Chicago Examiner; formerly critic, New York Journal, and San Francisco Examiner.
 Extract from a full page article: "At first I said 'No, it will not do at all.' But Chapin won and kept on winning."
 "He was unafraid, yet he was humble. He displayed dignity, yet also he displayed the boots, the old shawl, the homeliness of feature and action, the unfrilled humor of the most vivid of all characters in American history. And I say it modestly—he got something of that great tenderness which was Lincoln's."

FACT
 Local Evidence.
 Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Salem fact. You can test it.
 F. A. Sutton, tent and awning dealer, Salem, Oregon, says: "I had kidney trouble and rheumatism for ten years and sometimes I was laid up. Doctors did not help me. Sharp pains extended through my back and were most severe in my kidneys and loins. Often when working, I had to give up. I lost weight and was in very poor health. I had headaches, rested but little at night and did not know what to do. On a friend's advice, I tried Doan's Kidney Pills and to my surprise, they brought a great improvement in a few days. I continued to get better steadily. I got more sleep, my appetite improved and the pain gradually, but surely, left me. After I had used three boxes of Doan's Kidney Pills, I was in better health than I had been for ten years and not a sign of kidney complaint remained. The cure has been permanent. I gladly confirm the testimonial I gave several years ago."
 For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

SULZER IS DEFENDANT IN BREACH OF PROMISE SUIT

(UNITED PRESS ASSOCIATED WIRE.)
 Philadelphia, July 2.—William Sulzer, of New York, was named as the defendant in a breach of promise suit when a summons in trespass was issued here yesterday. According to the plaintiff's attorney the defendant is Governor William Sulzer, of New York. The plaintiff is Miss Mignon Hopkins, an attractive woman about 35 years old, who formerly lived in Brooklyn, but who is now employed in a department store in this city. No papers have been filed except a proceipe giving the names of the plaintiff and the defendant.
 Counsel for the young woman first applied for a capias, which would have permitted Sulzer's arrest should he appear in this state. The judge before whom the application was made refused the order and suit was then begun in the ordinary manner.
 The alleged contract was made September 15, 1903, in New York City.
 Sulzer Denies It.
 Albany, N. Y., July 2.—"Nothing to it. Merely another story started by my enemies."
 This was Governor Sulzer's reply when questioned concerning the suit brought against him by Miss Mignon Hopkins, of Philadelphia.
 The governor refused to discuss the case further.
 If a substitute is offered you for Foley Kidney Pills, it means a cheaper medicine is pressed upon you for the dealer's profit, not for yours. Foley Kidney Pills may cost the dealer more than a cheap substitute, but they give better results than any other kidney and bladder medicine. A. J. Walsh, Sneffles, Calif., writes: "Rush them to me. I am badly done up with rheumatism, and Foley Kidney Pills are the only thing that will cure me." Dr. Stone's Drug Store.
 Even the man who occasionally admits to himself that he is a coward will resent an insinuation from another.
 The Skin and Not the Blood.
 Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientific investigations have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin, the effect is marvelous and its results permanent. Do not delay trying Meritol Eczema Remedy. Capital Drug Store.

The Markets

Reports from all the principal wheat growing countries of the world show the crop above the average, but prices remain firm, and there will be but little change therein. New peaches, the first of the 1913 crop, came in from The Dalles Tuesday. Raspberries are firm at \$1.50 the crate, and blackberries at \$1.75 to \$2.00. California onions now are on the market at \$1.10@1.25 a sack. A jump of 20 cents in sugar is expected today. The poultry market, which was nearly bare, is again well supplied, and prices are steady. Eggs touched 25 cents, but are quoted at 24c.
