UMPIRE BAITING IS GETTING TOO STRONG

Study of Rule Books Would Prove of Value to Some Players in the Twilight League.

Umpire baiting in the Twilight league has reached such a stage that it reminds one of the old days in the big leagues, when the umpire had no protection to speak of. Last evening in the game between Hauser Bros. and the Illies club the rag chewing was carried to such an extent that it was very exasperating to spectators, as well as players who are not in favor of umpire baiting. Umpire Baker, who spends considerable time studying the rules, and is probably as well posted as any one in Salem on the rules and as every one knows, is fair and impartial, always trying to umpire strictly in accordance with the rules.
In last night's game when Baker refused to let Shortstop Bishop take first when hit with the ball after making no effort whatever to avoid being hit, but getting hit purposely to get first, he acted according to the rule, but Mr. Bishop was very much peeved at not being able to slip one over on his

WOMAN'S ILLS DISAPPEARED

Like Magic after taking Lydia E. Pinkham's Vegetable Compound.

North Bangor, N. Y.—"As I have used Lydia E. Pinkham's Vegetable Compound with great benefit I feel it my duty to write and tell you about it. I was ailing from female weakness and had headache and backache nearly all the time. I was later every month than I should have been and so sick that I had to go to bed."

"Lydia E. Pinkham's Vegetable Compound has made me well and these troubles have disappeared like magic. I have recommended the Compound to many women who have used it successfully."—Mrs. JAMES J. STACY, R.F.D. No. 3, North Bangor, N. Y.

Another Made Well.

Ann Arbor, Mich.—"Lydia E. Pinkham's Vegetable Compound has done wonders for me. For years I suffered terribly with hemorrhages and had pains so intense that sometimes I would faint away. I had female weakness so bad that I had to doctor all the time and never found relief until I took your remedies to please my husband. I recommend your wonderful medicine to all sufferers as I think it is a blessing for all women."—Mrs. L. E. WYCKOFF, 112 S. Ashley St., Ann Arbor, Mich.

There need be no doubt about the ability of this grand old remedy, made from the roots and herbs of our fields, to remedy woman's diseases. We possess volumes of proof of this fact, enough to convince the most skeptical. Why don't you try it?

umps. Manager Gabrielson and First Baseman Dyer also tried to advance a base on the play, claiming that if the batter was not entitled to first it was a ball. When Baker made them return to their bases another big howl went up, although it was in accordance with the rules.

Another case of not knowing the rules occurred in the fourth inning, when Bishop started in to bat right-handed and changed to left, which the rules say cannot be done, when the pitcher is in position. Umpire Baker let the batter down easy in this case, when he made him continue to bat right-handed, instead of calling him out. As per the rules, on account of not feeling sure of his being out.

Dr. J. C. Yuen, Salem, Ore.:
Dear Sir: I wish to offer you a testimonial in regard to your wonderful medicine.
I had the advice of some of the noted physicians, and they told me that I had appendicitis, and would have to be operated on before could get well. Not wishing to be operated upon, I consulted Dr. J. C. Yuen, and now, after about three months' treatment, I am again feeling strong and healthy.
I wish to do all in my power to circulate the knowledge of your wonderful medicine. Respectfully,
J. L. OGLESBEE,

Salem, July 5, 1913.

I have been troubled with kidney trouble and a tumor for some time, and after three weeks' treatment with Dr. J. C. Yuen I can say I am perfectly cured, and since then have gained 30 pounds, and would recommend his treatment to all sufferers.

Keeping the Body in Repair

Nature intended that the body should do its own repairing—and it would do so were it not for the fact that most of us live other than a natural life.

Nature didn't intend that we should wear corsets, tight collars or shoes, nor live in badly ventilated and draughty houses, nor eat and drink some of the things that we do, nor ride in street cars when we should walk.

The consequence is that the body when it gets out of order must look for outside help to make the necessary repairs.

For weak stomachs and the indigestion or dyspepsia resulting, and the multitude of diseases following therefrom, no medicine can be more adaptable as a corrective agent than DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

This famous Doctor's prescription has been recommended for over 40 years and is today just as big a success. Restores a healthy appetite, cleanses the blood, strengthens the nerves. Regulates stomach and liver. Demand the original.
