WOMEN KNOW LOT **ABOUT POLITICS NOW**

Some Lobbying Required to Get Janitor of Big Flat to Show Favors on Certain Occasions.

WASHDAYS ALLOTTED BY CZAR OF APARTMENT HOUSE

Thursday Is Universally Considered "Day Off" for Cooks and Maids and No Washing Goes.

BY CARLTON TEN EYCK.

(Written for the United Press.) New York, Aug. 14.-New York woien have not yet got the ballot, but they know a lot about politics. Many of the matrons of Manhattan could teach their husbands a lot about wirepulling and influence and the like. Polities in a flat is just as exciting as did."-Mrs. M. ZEUNER, 1045 New Jerpolitics in a ward, and when it comes to maneuvering and scheming for favors, the assembly district has nothing on the apartment house, politically speaking.

The "district leader" of the New York apartment house is the janiotr, and no Tammany sachem is more powerful in his bailiwick, nor more sought after. The janitor is the domestic arbiter of the place. The why-ness of this condition is that in the modern Tower-of-Babel beehives that hundreds of thousands of Gothamites call home, there are many conveniences and appli ances that are used in common, such as the dumb-waiters, and the like. Everyody wants to use these things first, of ourse, and hence the politics.

One of the best examples of politics in a flat is to be found in the older houses in the downtown residence districts which have common laundries in father's stubborn mouth, and her fath- the basement. In the more modern er's awkward gait. And there was a apartments uptown, laundry tubs are in very handsome, very dull, very slow each apartment, and the biggest bone

But a large number of the New York apartment houses are equipped with ove with his ugly daughter, and was common laundries, wherein only a limdoing his best to spoil her, and the ited number of family washings can be stupid womanswas desperately devoted done at one and the same time. Probato her stupid son, and they were all bly because of the Biblical injunction four very happy, much to the disgust that "cleanliness is next to Goddiness" of several very much interested people, most of the housewives desire above all who had been hoping all along that the things to wash on Monday. If they can I'm tired of clever people, tired of clever man would see what a mistake not have that day, they want the nearhe had made and would be very, very est to the first of the week that they can get. The janitor is the autocrat All of which goes to show what fun who allots washdays, and thus he is the must be to be a novelist and have recipient of all sorts of hints, bribes people happy when they ought to be and persuasions. He has various expedients for settling the clamor for wash-

In some house the days are allotted by floors, Monday for the first floor, Tuesday for the second, and so on. Oth er janitors give tenants their choice of days alphabetically, that is, the Andersons, Adams or Abrahams can wash on Monday, the Browns, Bennetts on Tues days, etc. In other houses the matter is settled by seniority, the tenants have their choice according to the longest term of residence in the apartments

Speaking of washdays, the most un opular day in New York for that purthe washing of windows, cleaning of For sale by all dealers. rugs, redecorating, painting etc. Some the ultra-modern houses now have allotted as are the wash rooms of the cut and for future generations. older houses, and the plotting and scheming for their use is something to

CIRCUS EMPLOYES HURT.

Omaha, Neb., Aug. 14.—Three em ployes of Barnum & Bailey's circus are dying here today, and ten are seriously injured through a collision at Richfield, Neb., of a Rock Island train with the circus cars. The circus cars were pulling into a siding when they were struck.

Often a man has a lot of good traits that you would never suspect if he didn't tell you about them.

that the spirit of restlessness must be esisted as an enemy to a normal condition of mind or body. Many people fered a great deal not face opportunities or solve prob-with headache, back-lems.

Some persons think that they impress others with their importance by talking about being terribly busy and telling of the rush in which they live. There is no time for any pleasant, ham's Vegetable firendly interchange of thought. They are "going on" somewhere and have not a moment to stop. One feels, when recommend Lydis E. Pinkham's Vege-table Compound to all who suffer as I talking with them, as though one were whirling along in a motor or on an er press train.

To live in a state of unrest and feverish excitoment is not conducive Vegetable Compound cured me of awful to happiness. It is better to try to backache which I had suffered with for do a few little things which are do a few little things which are worth while than many of the things my work and my head and eyes ached all, which require a continual drive and are a waste of energy or time-and certainly a waste of peace of mind.

reryday life which need to be done. A good way to cure restlessness is to do them, and to do them as well as ve can. It is a very pleasant thought that there is generally something that each of us can do, some very little thing, perhaps, some small, lowly task or act, but which no one else can do; or there is someone to whom no one else can be quite as usefue as we may be. Too often we neglect those little things which are plainly before us, almost asking to be done.

A girl who is on the watch for the little duties at home and does them cheerfully and gladly will find that

It may not seem a great thing to go on an errand for a mother, or in arranging a room, or putting a deak in order, or making a delicious dessert to please a father; but perhaps these are some of the little daily things demanding to be done. Any form of work is worth doing, and if it is done Leave. This is a dainty little booklet in the right spirit it is sure to brighten our own lives and the lives of others.

essness creates a desire to do anything else but what is the affair of the moment. There is a discontent with the present surroundings, a vis-

A girl must try to see very clearly reach the diseased portion of the ear. what are her duties at home and There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is ontirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of tem are caused by Catarrh, which is nothing but an inflamed condition of the meous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.
